See staff report and slideshow presentation attached hereto.

General Manager Brett Hodgkiss introduced LaVonne Peck of the San Luis Rey Indian Water Authority (SLRIWA). Ms. Peck presented a brief history of the San Luis Rey Water Rights Settlement (Settlement). She said the purpose of the presentation (“Warner Basin/Lake Henshaw Discussion”) was to discuss, without obligation, potential alternatives to the current operations of Warner Ranch and the Warner Basin.

Ms. Peck introduced Jeff Helsley of Stetson Engineering. Mr. Helsley reviewed slides showing maps of the Local Water System and Warner Ranch Facilities.

Richard Williamson of the SLRIWA went over information contained on slides titled Considerations for Vista Irrigation District (VID) and the Pending Improvement Costs for Local Water Delivery. He said that he hopes that further discussions between VID and the City of Escondido (Local Entities) and SLRIWA will present potential alternatives to the current operations of the local water system. Mr. Williamson expressed his respect and gratitude for VID’s stewardship of the Warner Ranch and thanked the Board for their continued preservation of the land.

Stephanie Zehren, legal counsel for the SLRIWA, discussed two articles of the San Luis Rey Indian Water Rights Settlement Implementing Agreement (Implementing Agreement) related to Local Entities’ rights to transfer or abandon any part of the local water system. She said that, per the articles, there would be an opportunity to continue conversations about alternative ways to manage the local water system. Ms. Zehren stated that the Local Entities and the Indian Bands of the SLRIWA share a strong interest in protecting and preserving water quality and mitigating the costs of local water delivery. She provided several examples of existing Tribal partnerships and said that further discussions could explore opportunities for a Tribal Stewardship of the Warner Ranch.

SUBJECT: ENCROACHMENT PERMIT

RECOMMENDATION: Approve Encroachment Permit (139) for dedicated specific easements over Blue Bird Canyon Road for a 187-lot single-family residential development known as San Marcos Highlands, consisting of approximately 289 gross acres owned by KB Home California LLC, located at the northern end of Las Posas Road, San Marcos (LN 2017-018; I-3090; APNs 182-110-02, -03; 182-111-01; 184-101-35; 184-240-13, -14, -15, -33, -35, -36; 184-241-06, -07, -08 and -09; DIV NO 5).

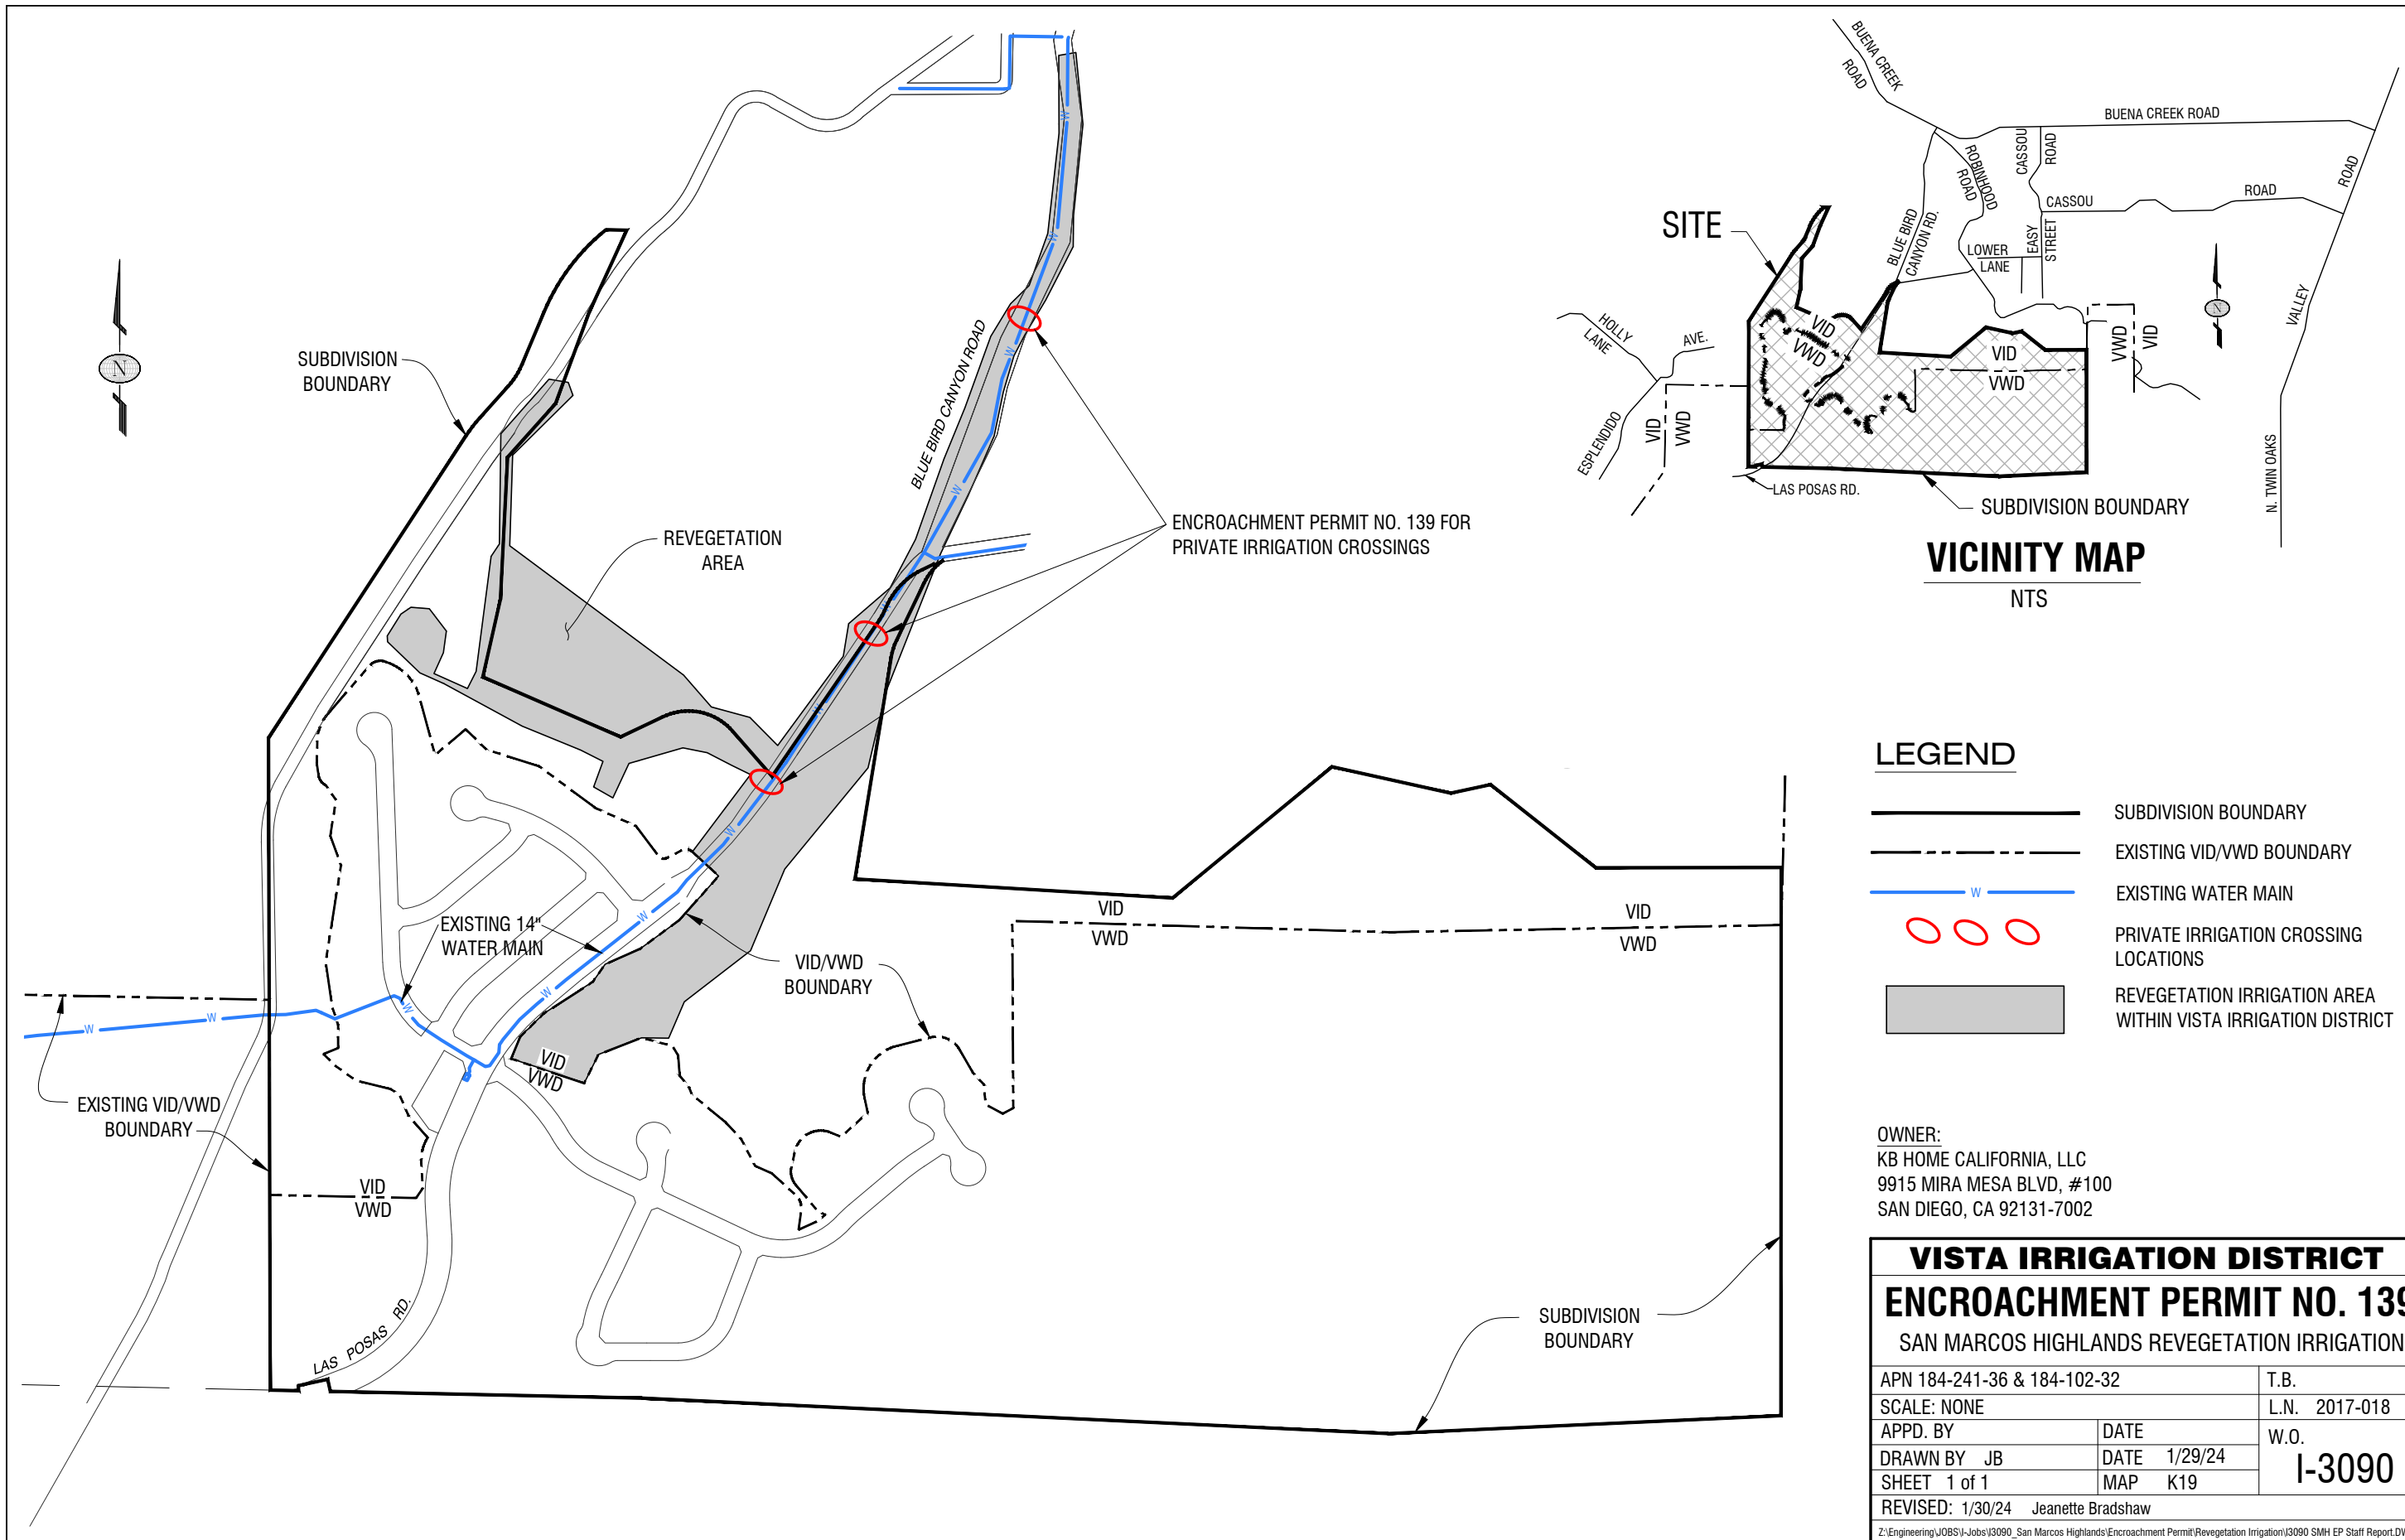

PRIOR BOARD ACTION: In 1962 and 2020, the Board accepted Grant of Right of Way (C7) and (V102), respectively, for existing and relocated water facilities adjacent to and within the development.

FISCAL IMPACT: None.

SUMMARY: The owner, KB Home California LLC, is in the process of developing a 187-lot single-family residential development known as San Marcos Highlands. The project is required to revegetate and temporarily irrigate areas north of the development. While the residential development itself will be served water from Vallecitos Water District, the revegetation area is located with the District's service area and temporary water service will be provided by the District through a construction meter.

Three temporary irrigation line crossings are proposed over the District's 14-inch transmission pipeline within Bird Canyon Road and Specific Easements (C7) and (V102). Approval of the Encroachment Permit (139) will allow the temporary encroachments and the owner to proceed with their revegetation requirements; in accordance with said permit, any costs to replace or repair the irrigation encroachments as the result of a District water main repair will be borne by the permittee.

Warner Basin/Lake Henshaw Discussion

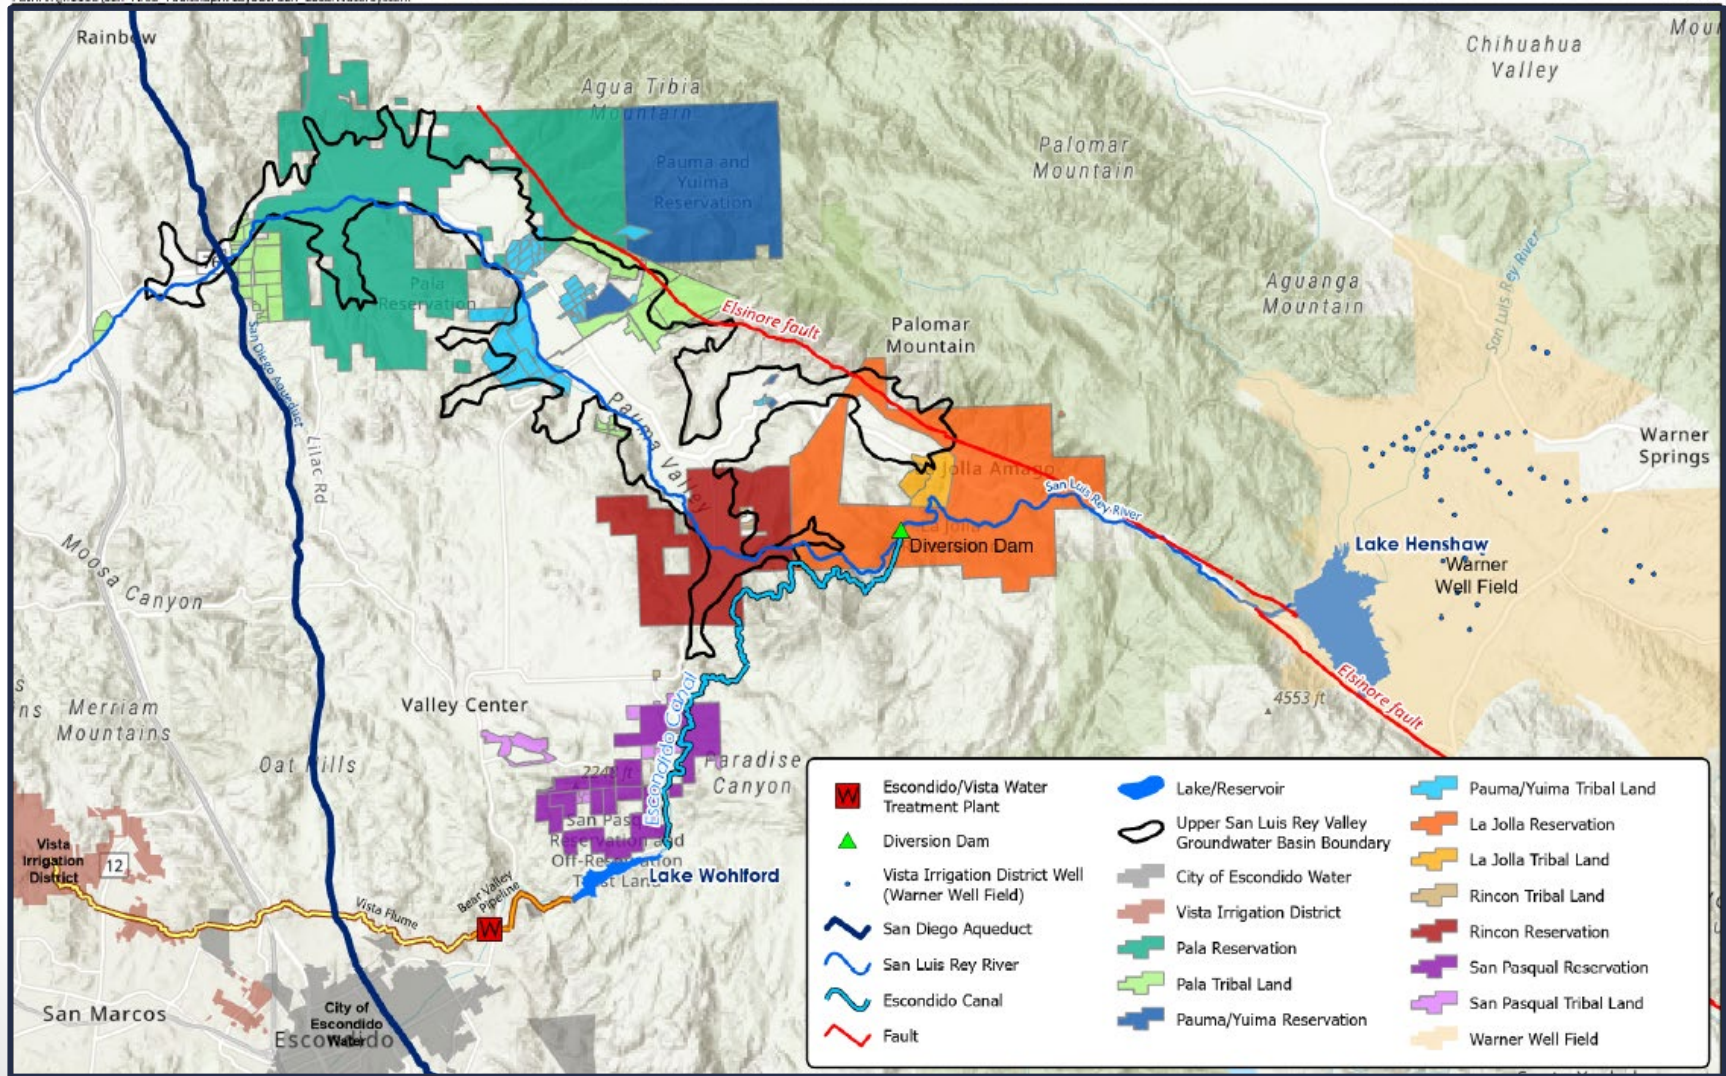

February 7, 2024

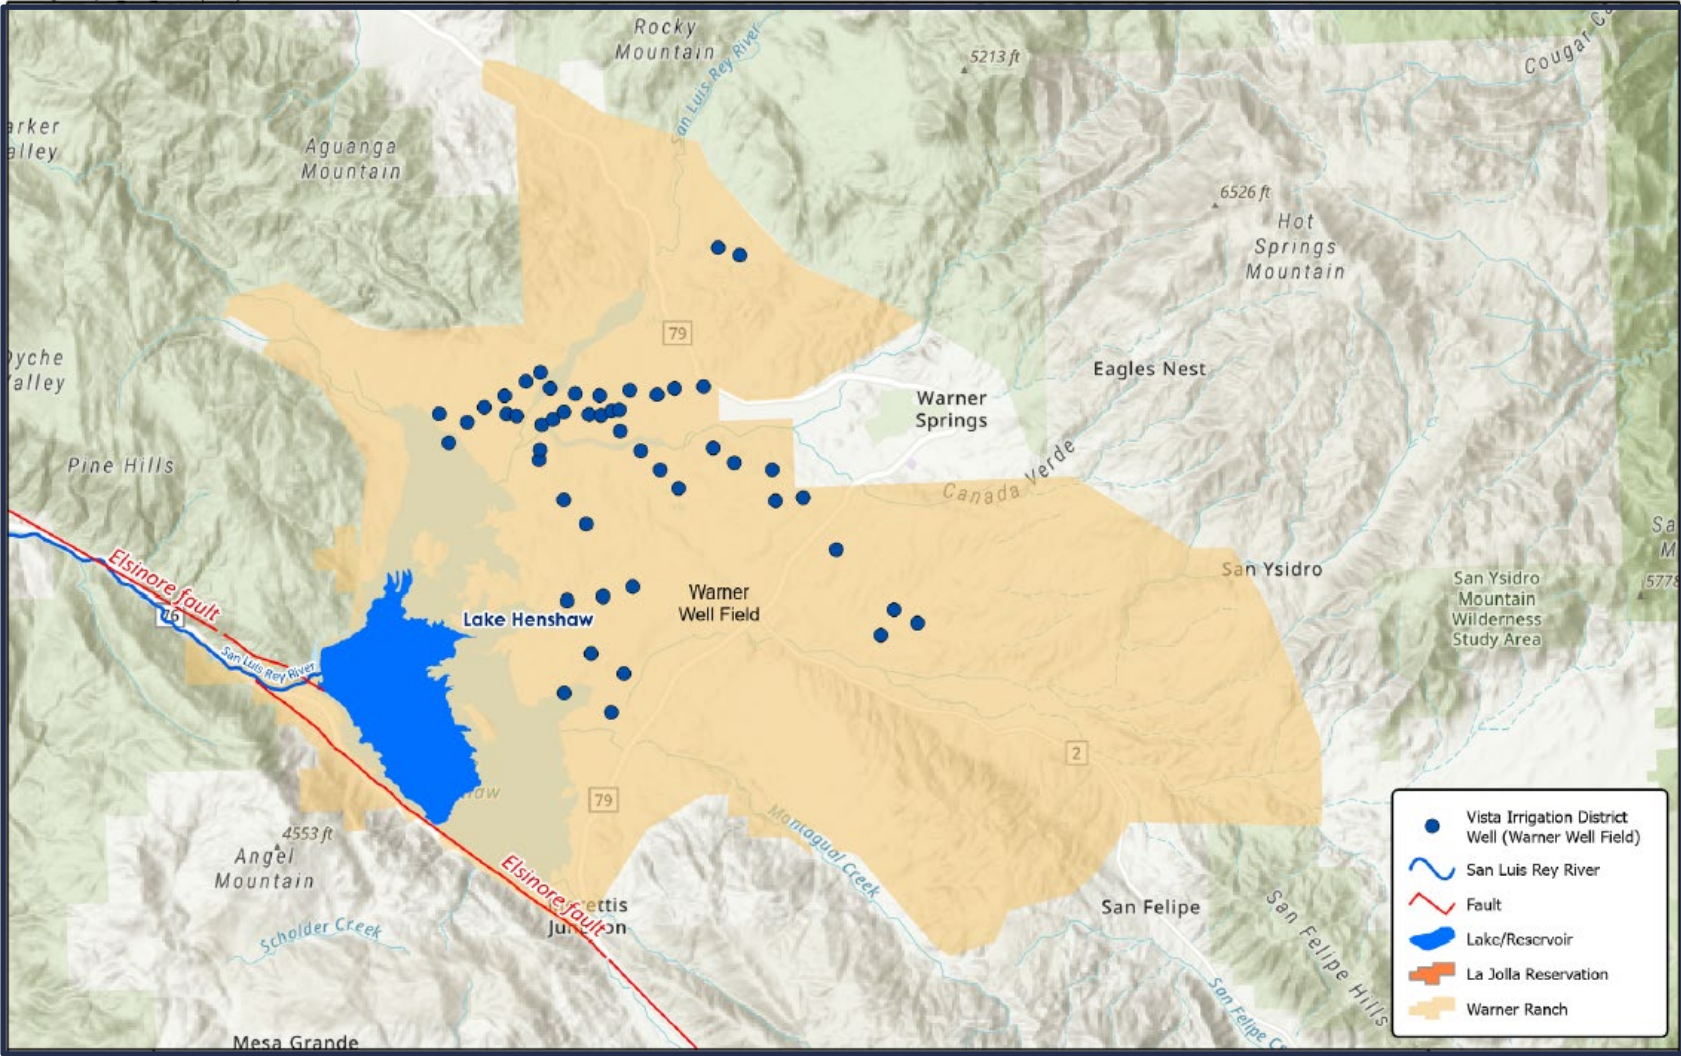

Introduction

- Introductions
- Overview of the San Luis Rey Water Rights Settlement
- Transition to “Settlement Implementation Parties (‘SIP’)” with approval of the Settlement in 2018, and a new, very positive, relationship among the Settlement Parties
- Based on rising costs to VID to maintain an aging Local Water System, it may be optimal timing to consider alternatives to the present operations.
- Today’s presentation is to explore the options available to VID; among them being a shift to Tribal Stewardship of the Warner Basin while strengthening the financial position of VID.

Local Water System

Warner Ranch Facilities

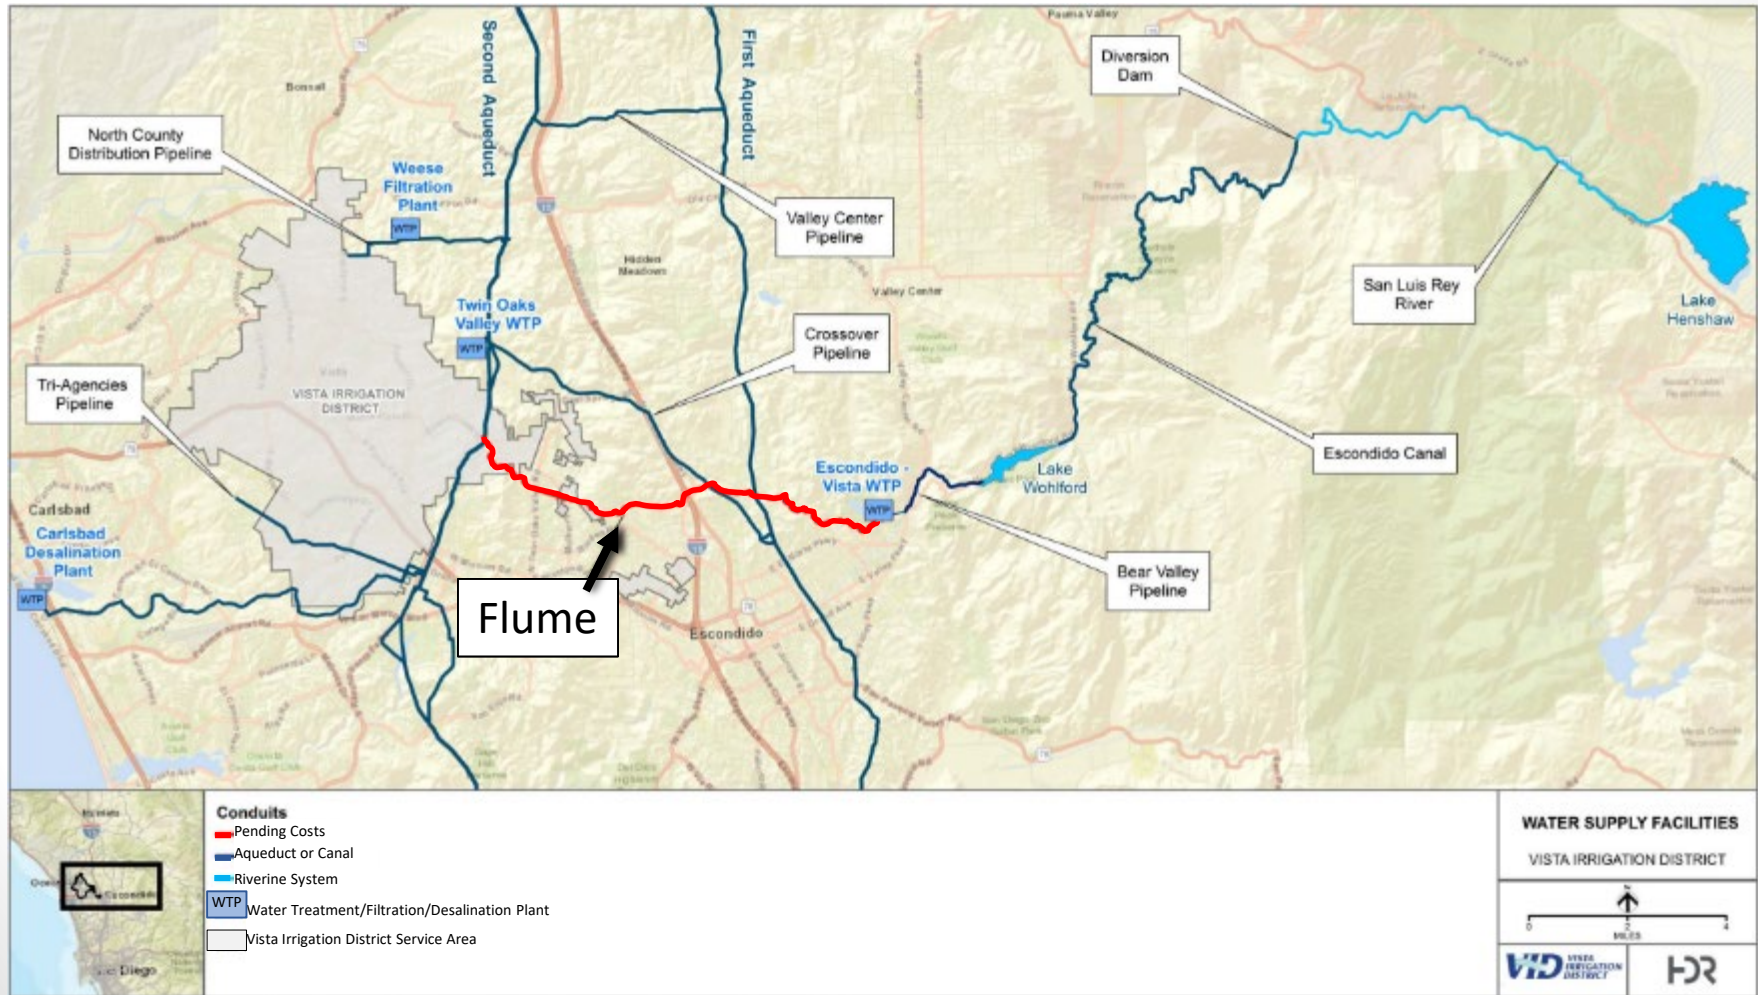

Approximately 43,000 acres of land owned by VID

Considerations for VID

- Affordability of Local Water Supply
- Aging infrastructure
- Future pricing of imported water from the San Diego County Water Authority (SDCWA)
- Water Rate Resiliency
- Reliability of the Escondido Canal

Pending Improvement Costs for Local Water Delivery

Pending Improvement Costs for Local Water Delivery

Vista Flume Replacement

- The almost 100-year-old flume has exceeded its useful service life and The Flume Replacement Alignment Study is evaluating Flume alignment alternatives and risk vs. cost
- Current estimated replacement cost is \$178 million to \$183 million

Pending Improvement Costs for Local Water Delivery

Harmful Algae Blooms (HABs)

- The presence of HABs in Lake Henshaw impacts:
 - La Jolla recreational and cultural uses
 - Delivery of Rincon Water Entitlement
 - Delivery of water to Lake Wohlford for Local Entities' uses
- Algicides have had mixed results in treating HABs
- Lanthanum modified clay has not been effective to-date and will have to be applied for several years

Pending Improvement Costs for Local Water Delivery

Harmful Algae Blooms (HABs)

- Short-term mitigation costs which include treatment, sampling, and testing, as well as ongoing consulting with SLRIWA and the impacted Bands (particularly La Jolla and Rincon)
- Long-term solutions
 - Algae harvesting, separation, skimming
 - Stream rerouting (divert from warmer well field)
 - Oxygenation/aeration
 - ???
- 2024 will be the fifth year of trying to effectively mitigate and manage HABs so that water can safely be delivered from Lake Henshaw

Pending Improvement Costs for Local Water Delivery

Long Term Solution Costs (shared 50/50 by VID and Escondido)

- Algaecide Treatments
 - Yearly: \$300,000 - \$1.5 Million (M)
- Chemical Sediment Sealing
 - 4 - 5 years: Approx. \$3 M
- Source Water Nutrient Control
 - \$19K–\$29K per month when wellfield is pumping
 - \$236K–\$353K per year if wellfield is pumping year-round
 - \$40K–\$100K application equipment for two application sites (one time cost).
 - Yearly chemical costs: \$250K - \$350K
- Bypass Pipeline
 - Capital Costs: \$22 M - \$43 M
 - O&M: \$220,000
- Oxygenation
 - Will not remove the source nutrients for HABs, and therefore must be continually applied to work long-term
 - Success of oxygenation is unknown – has not been tested before
 - Estimated costs for Lake Henshaw oxygenation field trial
 - 9-month field trial: \$1.6 M - \$3.1 M
 - 12-month field trial: \$2.0 M - \$3.5 M

Things to Discuss

- Partnership Framework for Optimizing the Resources of Warner Ranch?
- Financial Considerations
 - Identify funding sources (partners?)
 - State of California Parks
 - Non-governmental Environmental Organizations
 - Revenue Bonds (water sales/mitigation lands/recreation...)
- Attributes
 - Adjacent to Cleveland National Forest
 - Culturally and historically significant property
 - Close to Anza Borrego State Park
 - Traversed by the Pacific Crest Trail

San Luis Rey Implementing Agreement

- Local Entities have the right to assign or transfer any part of the Local Water System (Art. 10, p. 68–69 of the Implementing Agreement)
- Local Entities have the right to abandon part or all of the Local Water System, subject to the SLRIWA/Bands' right of first refusal (Art. 11, p. 69–71 of the Implementing Agreement)
 - Local Entities still have access to the Supplemental Water under the San Luis Rey Settlement if they abandon the Local Water System

WIN-WIN FRAMEWORK

- Create a working group consisting of representatives from VID, City of Escondido and the SLRIWA to further explore Tribal Stewardship of Warner Ranch
- The Working Group would identify potential partners and funding sources and alternative frameworks for a Multi-benefit Tribal Stewardship of the Ranch. Meetings could include:
 - Governor's Office
 - Congressional delegations
 - California State Parks
 - Environmental Non-Governmental Organizations (e.g., CalWild, the Nature Conservancy, Trust for Public Land, etc.)
- Start the Appraisal Process.

- THE PRIMARY GOAL IN THIS ENDEAVOR IS FOR VID, ESCONDIDO AND SLRIWA TO ACHIEVE A WIN...A RELIABLE FUTURE FOR OUR RESPECTIVE ENTITIES.

STAFF REPORT

Board Meeting Date: February 7, 2024
Prepared By: Brett Hodgkiss

SUBJECT: ASSOCIATION OF CALIFORNIA WATER AGENCIES COMMITTEE NOMINATION

RECOMMENDATION: Nominate Board member Patrick Sanchez to the Association of California Water Agencies' Energy Committee for the 2024-2025 term.

PRIOR BOARD ACTION: On September 6, 2023, the following committee nominations were submitted by the Board to the Association of California Water Agencies (ACWA) for consideration for the 2024-2025 term:

- Director MacKenzie to Local Government and Membership committees
- Director Vásquez to Groundwater and Water Quality committees
- Director Miller to Energy Committee
- Director Sanchez to Federal Affairs Committee
- Director Kuchinsky to Business Development Committee
- Holly Roberson to Legal Affairs Committee

FISCAL IMPACT: Undetermined amount for expenses and per diem should Director Sanchez be appointed to the ACWA Energy Committee.

SUMMARY: In June 2023, ACWA solicited nominations for its committees for the 2024-2025 term. The Board submitted its nominations (as noted above) on September 6, 2023. Vista Irrigation District directors were appointed or reappointed to serve on ACWA Committees as follows: Director MacKenzie on the Membership and Local Government committees; Director Miller on the Energy Committee; Director Kuchinsky on the Business Development Committee; and President Vásquez on the Groundwater and Water Quality committees. Director Sanchez was placed on the waiting list for the Federal Affairs Committee.

Director Sanchez reached out to ACWA staff regarding committee appointments. ACWA staff let Director Sanchez know that he could submit a committee consideration form for an ACWA committee with an unlimited composition (see attached for Committee Composition table). At its January 17, 2024 meeting, Director Sanchez requested that the Board place an item on an upcoming agenda to consider his nomination to the ACWA Energy Committee (which has an unlimited composition); the Board directed staff place an item to consider the nomination on an upcoming agenda.

DETAILED REPORT: In submitting names for consideration, ACWA has requested that nominees understand the time commitment and expertise needed to meet assigned committee responsibilities; the ACWA Energy Committee meets four times a year. As noted above, Director Miller has been appointed to the ACWA Energy Committee; however, given Director Miller's commitments representing the District at the San Diego County Water Authority (Water Authority) and representing the Water Authority as a delegate on the Metropolitan Water District Board of Directors, his availability to attend additional meetings is limited. Director Miller has indicated a willingness to resign should the Board submit a nomination for Director Sanchez to serve on the ACWA Energy Committee.

THE VISTA HISTORICAL SOCIETY

VOLUME 1 OF 2

ADAMS-LARKIN

THE HISTORY OF THE VISTA HALL OF FAME

The Hall of Fame was created over 30 years ago and currently has over 90 members.

The Vista Hall of Fame was created in 1989 as part of Vista Heritage Week, to honor significant people and their achievements that have enriched Vista's vibrant history. Inductions were made in each of the next three years, ceasing in 1992 and starting again in 1995.

The Vista Historical Society then received custody of the photographs.

In early 1994, upon the completion of the Vista Historical Society Museum, the Historical Society began to display the Hall of Fame members' photographic portraits in the museum.

Currently there are two divisions of membership, the Regular Division and the Early Residents Division. The qualifications of each division are described below. Each year a member of each division must be elected to the hall. There is no upper limit to the number of new members that can be elected each year .

CRITERIA FOR NOMINATION TO THE HALL OF FAME

Regular Division

Each nominee must have lived a minimum of 20 years in Vista, not necessarily consecutively. This criterion may be waived if it is not considered appropriate.

Each nominee must have made significant contributions to the betterment of the community.

Married couples who both meet the criteria may be nominated together as one nominee.

The nominee may be either living or deceased.

Early Residents Division

The criteria is the same as for the Regular Division, and in addition the nominee must have died at least 20 years before the nomination unless waived.

VISTA HALL OF FAME

Thomas J. Adams
1891-1974

**Elected to the Vista Hall of Fame
Early Residents Division 2016**

Thomas J. (T.J.) Adams was the second longest serving member of the Vista Irrigation District (VID) Board of Directors, second only after "Mr. Water" himself, Hans Doe. Mr. Adams served on the VID board for 25 years, from March 1949 to July 1974. It was during his 25-year tenure on the VID board that Vista became incorporated as a City in 1963. The population of Vista grew from 8,300 in 1949 to 39,000 in 1974. Mr. Adams was seated as chair of the VID board of directors in 1954, where he remained chair until he passed away in office in 1974. It was through his leadership that the district was able to accommodate the tremendous population growth with all of the necessary facilities and water rights for the people of Vista.

Adams, a native of Louisville, Ken., had made his home in Vista since 1946, coming here from Pittsburgh, Pa., where he had been U. S. Steel's chief metallurgical engineer for 15 years. Adams had owned an avocado grove on Phillips Street when he first came to this city.

In 1951, as a result of a five-year drought, the level of Lake Henshaw (the primary water source for Vista), virtually dried up, going from 120,000 acre feet to only 200 acre feet. In response, VID dug 31 wells at its Warner Ranch watershed, and began pumping water into Lake Henshaw. The need for water for the people of Vista continued to grow with the increase in population and the district began to eye other sources, but few options were available to such a small agency. In 1954, a special election was held in which the people of Vista voted to join and receive imported water from the San Diego County Water Authority. In 1961, the district built its new headquarters on Connecticut Avenue to combine the field and office operation in one location to better serve the VID customers. During Mr. Adams' tenure as president of the VID board, to further accommodate the City's continued growth and demand for water, the district began planning to build a water treatment plant jointly with the City of Escondido. This plant was completed shortly after Mr. Adams' death and allowed all the residents of Vista to receive fully treated water for the first time.

Howard Amend
1935-2020
**Elected to Vista Hall of Fame
Regular Division 2012**

Howard Amend has been affiliated with Boys' Clubs since he joined the Pasadena, California, club when he was 7 years old.

Howard has given 42 years of continuing dedication to the Vista Boys' Club and the Vista Boys & Girls Club, as it was renamed in 1990.

He retired as director of the Vista Boys & Girls Club in January 2002. He currently serves on the board of directors and is chairman of the Vista Boys & Girls Club Foundation, the major funding agency for the Club.

Howard and Anne celebrated their 50th wedding anniversary in March 2012.

Anne retired in 2011 as a school nurse for Lincoln and Rancho Minerva middle schools.

They have three children: Peter, the oldest, and twins Merrill and Sharon.

VISTA HALL OF FAME

**Carl Ames
1938-2018
Carol Brady
Elected to Vista Hall of Fame
Regular Division 2019**

Carl and Carol met in Kiwanis. They have been very busy in the community through the Kiwanis Club of Sunrise. Carl has been a member for 35 years and served two separate terms as President. Carl was the Kiwanis Division 37 Lt Governor in 2014/15 (over 18 clubs). He had been the Club Advisor for the Vista High Key Club for 10 years, brought back the fireworks to Vista his first term as President, and has served breakfast at Brother Benno's Soup Kitchen. Carl was also Kiwanian of the Year two years in a row with the Kiwanis Club of Sunrise Vista. (2007 and 2008). He was captain of the Kiwanis Club team for several years for the Vista ROC project. The team included club members and Key Club members from Vista High School. Carl was a judge for two years for the Pride of Vista Beauty Pageant.

Carl and Carol came up with the idea of a wine and food tasting fundraiser for the Kiwanis Club which has evolved into the Grape Gatsby Affaire. Along with a committee of 15 club members, it grew into a 1920's theme fundraiser which the Club is celebrating its 11th year in April of this year and is the Kiwanis Club's major fundraiser.

Carl was also a Club Scout leader and Boys Scout leader at Beaumont School when his boys were little. He also received Have a Heart 4 Kids Award from the Boys and Girls Club in 2008.

He was an Elder at Faith Lutheran Church.

Carl and Carol also took part in the 9/11 Commemorative BBQ that is sponsored by Faith Lutheran Church each year. We work with Honor Flight of San Diego to get 4 WWII Veterans to be our guest and to honor them.

Carol has been President of the Kiwanis Club of Sunrise Vista for two terms (2011-2013) and has been a member for 13 years. She was Kiwanian of the Year 2006/7 and 2008/9. Carl and Carol received the Have a Heart 4 Kids Award from

the Boys and Girls Club 2008. Carol has been active at Faith Lutheran Church in many different capacities for the 45 that years she has been a member. Carol was the Den Mother for the Cub Scout sponsored by Faith Lutheran Church when her son was small.

Working for Kids is a passion for Carl and Carol. The one closest to our heart is the StandUp for Kids drop in center in Oceanside which serves all the kids of North County. StandUp works to get the kids off the street. Carol was honored as a special donor last year. I was able to get StandUp For Kids Oceanside to be a Kiwanis Division 37 Project. We ask other clubs for sleeping bags, clothing, toiletries, bottled water and food items

Carol has been a long time supporter of the Oceanside chapter of StandUp For Kids. She is an advocate and avid donor. She shines a constant spotlight on our program and the plight of our kids. She is a shoulder to lean on for the volunteers and always brings her support with a huge hug and a smile. She IS an angel.

We asked Carol how she became involved with StandUp For Kids, here's Carol's story:

I originally got involved in Stand Up prior to 2007 because a friend asked me to donate hygiene products for the girls. Then in 2007, I got back to supporting Stand Up because I was better informed of the needs of the Kids. I got my Kiwanis Club of Sunrise Vista involved and our first donation at that time was a pickup truck load of clothes, water, food packs and personal hygiene items for both boys and girls. I have never been homeless, but I can relate to the Kids needing what we take for granted living in a home. My family was poor when I was a child growing up. About 5 years ago, I started a tradition at Christmas time to donate a Ginger Bread House kit for the Kids so they could be doing something fun as if they were in a home environment. My husband, Carl, has been my big supporter. It breaks our heart when we are having bad weather or it is cold, knowing our Kids are out in the weather.

In 2008, I asked the Lt Governor for our Kiwanis Division 37 (who oversees 18 Kiwanis club) to make Stand Up For Kids Oceanside a Division Project and it has remained a Divisional Project to date. Our Kiwanis Club donates all the water....I put out pleas for water and my husband, Carl, and I deliver it to Stand Up along with any other items I have collected for the Kids. When the present location needed repairs to the patio where the kids eat their meals, we contacted a friend of ours and he donated materials and labor to make it comfortable.

Carl and I were honored to assist another Kiwanis Club in a past Thanksgiving by serving dinner to the Kids.

In the late 1920s, Hausladen bought a monoplane and used it and another leased plane to get around in his work. He managed the Chicago Tribune's large avocado planting on "Tribune Hill" near Pechstein Dam for several years. He helped form the Vista Volunteer Fire Department shortly after arriving here. He held the office of president of the

VISTA HALL OF FAME

**John Barrett
1908-1978
Gene Barrett
1909-1993**

**Elected to the Vista Hall of Fame
Early Residents Division 2016**

In 1939, John and Gene Barrett and their two children moved to Vista.

Also in 1939, John Arthur Barrett and Harold Sanborn operated the "Barrett and Sanborn Market" on East Vista Way. Later, they opened a larger market at 306 South Santa Fe Ave. at Eucalyptus Ave. The produce department was operated by Ted Minge; the bakery by Roger MacDonald and his wife, Lois; the liquor department by Bert Baletto.

In 1942, "Barrett and Sanborn Market" was changed to "Buy and Save" and the business was incorporated. John and his wife, Gene, enlarged the Vista "Buy and Save" and branched out, establishing other "Buy and Save" markets in Fallbrook, Carlsbad, Oceanside, Escondido, Encinitas and other points in San Diego County. Their central warehouse was in San Marcos. Their son, Richard, and their daughter, Barbara, became a very important part of "Buy and Save's" growth.

Vista was a quiet little town with a beautiful climate and friendly people; a lovely place to raise a family.

John Barrett was on the school board; Richard played football for Vista High School, and Barbara Barrett was drum majorette for the band. Gene Barrett did her share working for the P.T. A.

In 1945, John learned to fly an airplane and Gene took lessons. They became the flying Barretts, attending many grocers' conventions, looking for better ways to serve the public with bigger and better "Buy and Save" markets.

Also, in 1945, their home, El Adobe Casa, was built on what is now East Sunrise Drive. The adobe bricks were made from local soil, molded and dried in the sun. John and Gene designed the adobe, with much

of the work done by John and son, Richard. Lupe Lara and Son were the builders.

In 1962 "Buy and Save" merged with Mayfair Markets.

"Buy and Save" markets was a family venture for the four Barretts. They all worked, and it was a happy time to be part of Vista. John Arthur Barrett died in 1978 and is buried in Eternal Hills Cemetery. Gene Barrett died in 1993. A memorial bench in Eternal Hills carries the family name.

**Ray Betraun
1923-1991
Elected to Vista Hall of Fame
Early Residents Division 2018**

Early Vistans knew that securing a reliable source of water was vital to the growth of their burgeoning agricultural community. Those early pioneers worked tirelessly to ensure their community had water for their crops, their families and for future generations. From forming the Vista Irrigation District (VID) to purchasing Lake Henshaw, community leaders searched for a secure water supply that would meet current and future resource demands. Ray Betraun embodied that community spirit and his contributions to Vista are still felt to this day.

Ray Betraun was born in Buffalo, New York on Christmas Day in 1923 and he moved with his family to Vista as a young boy in 1929. He grew up in Vista and graduated Class of 1942 from Vista High School. Ray went on to major in Mechanical Engineering at the University of Texas and then joined the U.S. Navy, proudly serving as part of a

VISTA HALL OF FAME

submarine fleet in World War II.

After his military service, Ray returned to Vista to build a life. He married Shirley Wilkinson in 1948 and they had two daughters, Vicki and Jana. Ray worked with his father and brothers at the family construction business, A.E. Betraun & Sons Construction Company, building many community buildings in Vista, including the former Vista Irrigation District headquarters located at 202 West Connecticut Avenue. After his father retired, Ray continued the family business as Betraun Construction Company.

Ray valued civic duty. He and Shirley were very active with the Vista Historical Society throughout their lives. Ray was also President and State Director of the Vista Jr. Chamber of Commerce, a Buena Colorado Municipal Water District board member, and a Liberty National Bank board member for 10 years.

Ray was elected to the VID Board of Directors in 1973. He was a VID Director for 18 years, serving as the President of the Board from 1986 to 1991. Ray served on the VID Board during a period of growth and development, overseeing the completion of the Escondido-Vista Water Filtration Plant at Dixon Reservoir in 1976, the relocation of the 20 million gallon Pechstein Reservoir in 1978, upgrades to portions of the Vista Flume during the 1980s and major renovations of the Lake Henshaw dam in 1981. He was also instrumental in preventing Blue Canyon Landfill from being located near Lake Henshaw, thus protecting VID's groundwater supply for many generations. Ray was also a member of "Vistans for Water Committee" and helped Vista navigate through the early years of the 1990's drought.

Ray passed away in May 1991. He will long be remembered for his record of commitment to his community and his public spirited dedication, including safeguarding Vista's local water sources and ensuring a reliable water supply for his community he loved so dearly.

Leon Bone
1874-1962
Elected to Vista Hall of Fame
Early Residents Division 2013

Leon Bone, always known as Judge Bone in Vista, was a man of many talents. In addition to his legal expertise, he was a prolific poet and author.

The Vista Historical Society is fortunate to have the original manuscript of *Day Dreams*, his book of original poems, and several hard copies of his science fiction novel, *Naomi, Daughter of Ruth*, published in 1952.

Born in Vandalia, Illinois, on March 22, 1874, Bone attended Austin College in Effingham, Illinois, for one year and was secretary and vice president of the debating team.

He then taught elementary school for four years and graduated from the Gem City Business College in Quincy, Illinois.

Bone moved on to George Washington University, determined to obtain his law degree, and graduated with the Law Class of 1905.

While there, he served as president of the university's Needham Debating Society.

The Vista Historical Society's original copy of the University news magazine, *The University Hatchet*, dated December 21, 1904, congratulates Bone on being a major force on the debate team: "He is a forceful speaker and his earnestness in the presentation of his argument carries conviction with it." He was described as an "indefatigable worker" at research who

VISTA HALL OF FAME

made “remarkable strides” in debating while at GWU.

Bone’s given name was Leonie, later shortened to Leon.

Judge Bone was married to his wife, Cora, for 53 years. The couple had two children, Victor and Velma. Several of his descendants still reside in the area.

The United States Federal Bureau of Investigation (FBI) was formed in 1910, and Bone became one of the organization’s first agents the following year. He was closely involved with the investigation and capture of such notorious criminals as John Dillinger, Pretty Boy Floyd and Machine Gun Kelly.

The Historical Society has on display a letter dated November 20, 1936, from J. Edgar Hoover, then head of the FBI, thanking him for his quarter-century of service as a special agent. Bone remained personal friends with Hoover over the ensuing years.

Early in World War II, Bone was called back for duty as a senior investigator for the Army Air Force.

From 1944, until he passed away at his Vista home in June 1962, at age 88, Judge Bone presided over the Vista branch of the Justice Court of California.

Evidence of his popularity was a report in *The Vista Press* on June 3, 1958, that he was re-elected to the Vista Judicial Court at age 84 with a vote of 2,326; his nearest competitor had 810 votes.

Judge Bone wrote poetry for more than 40 years. The original manuscript of his poetry book, *Day Dreams*, is on exhibit at the Vista Historical Society Museum at Rancho Minerva. It demonstrates the heart and philosophy of the “inner man” that complemented Leon Bone’s legal talents.

**Cathy Brendel
Elected to Vista Hall of Fame
Regular Division 2023**

Cathy Brendel has given leadership and service to the City of Vista for over 30 years. As Director of the City’s Parks and Community Services Department she oversaw the origins, development and operations of Moonlight Amphitheatre; of the Rancho Buena Vista Adobe, (both its acquisition and its conversion into an educational museum). Cathy assisted in the creation of the Wave Waterpark; the creation of the City’s Out and About senior transportation program and overhauled the City’s rental programs which facilitate the public’s use of City buildings for public use. She has overseen the Moonlight Amphitheatre capital building improvements after the passing of Proposition L and the building of new ballparks and recreational areas. She has facilitated fund-raising for the community’s non-profit Moonlight Cultural Foundation, the 4th of July Committee, Operation Hope, Rotary Club, Amigos de Vista Lions Club, Alta Vista Gardens, Vista Garden Club, and Friends of the Rancho, The Chamber of Commerce and Kiwanis. She has volunteered countless hours with City Beautification committees, Operation Hope, the Moonlight Angels and has represented Vista as President of the San Diego Chapter of the California Parks and Recreation Society; she was given a CPRS Presidential Award in 2002. Cathy Brendel moved to Vista to work in 1978 right after she graduated from Pepperdine University with a degree in Recreation Administration. She began her work as a recreation supervisor assisting Jim Porter. In 1980 Cathy, Jim, Jean Cole and Kathy Brombacher stood on a simple cement stage in Brengle Terrace Park, imagining a musical theatre program which would serve the community. Then Cathy went to work with Jean Cole, setting up ticketing, fences,

VISTA HALL OF FAME

access and concessions to open Moonlight's first season in 1981. Over the years she has written grants and obtained work underwritten by the community for Moonlight's ADA parking lot, backstage deck, large new Ticket Booth, an enlarged patio and restrooms, ADA access areas and the stage house renovation funded by Proposition L and finished in 2009. Cathy never missed a production at Moonlight for all of its history. She has been saluted by the City Council as Management Employee of the Year, attributing her success to strength of character, tremendous dedication and vision. She is an administrator who always gave above and beyond; who was admired by staff and community. Part of Cathy's legacy is being a crucial part of all the dreams, fundraising, planning, and advocating for a new era of Moonlight Stage Productions in the City of Vista. She inspired the staff by being an administrator who challenged staff to have faith in their dreams; to change; to adapt and always reach for excellence. Staff and citizens committees agree that Cathy spent 30 years supporting dreams and building strong programs for Vista. Mayor Judy Ritter has said upon her retirement that Cathy was a great lady and an expert at diplomacy; she was much loved by her staff and members of the community.

Ralph T. Brengle
1894-1971
Elected to Vista Hall of Fame
Early Residents Division 2009

Ralph Brengle was a retired industrialist and a native of Orleans, located in the Knob Hills Country of Indiana. He served in the United States Navy in World War I, being discharged as a Lieutenant Junior Grade. In World War II, he was a Lieutenant Commander in the Navy.

After the war, he organized Ralph T. Brengle Sales Company in Princeton, Indiana. At one time he owned three shopping centers in Chicago.

Mr. and Mrs. Brengle came to Vista on his retirement in 1961. He donated funds to the Vista Boys' Club for a gymnasium, and gave 39 acres to the City of Vista with which Brengle Terrace Park was established. The Brengles were honored February 21, 1971, at the dedication of the 13,000-square-foot Boys' Club gymnasium. Orbee Mihalek, Mayor of Vista, proclaimed "Ralph T. Brengle Day."

Mr. Brengle had given away around a million dollars for worthy causes before coming to Vista, including funds to the College of Vincennes for a closed TV station; funds to Gibson General Hospital; and a science building for Oakland City College. He was a member of the Rotary Club and the Military Order of World Wars, San Diego Chapter.

Mr. Brengle died in March of 1971.

VISTA HALL OF FAME

Kathy Brombacher
Elected to Vista Hall of Fame
Regular Division 2010

Kathy is the founder of Moonlight Stage Productions summer season at the Moonlight Amphitheatre and the winter season at the Avo Playhouse. Since founding the theatre in 1981, she has helmed its artistic vision; today it is recognized as one of San Diego County's major arts organizations.

The theatre's artistic successes have been recognized by such organizations as the San Diego Theatre Critics Circle, the Patté Awards for Theatrical Excellence, the Robby Awards, and the Billie Awards. Some of the awards the theatre has received from these organizations include Best Direction, Best Ensemble, Best Choreography, and Best Set Design, among many others.

Under Kathy's vision, the theatre has nurtured many theatrical artists and administrators who began their careers at the Moonlight and have gone on to work with other major arts organizations and entertainment companies throughout the United States. Having established an artistic base that serves all of San Diego County, Moonlight Stage Productions winter seasons have grown artistically each year with the support of the National Endowment for the Arts, which has provided grants in support of three productions, *Arms and the Man*, *The Most Happy Fella*, and recently the critically acclaimed *Ring Round the Moon*.

Kathy has produced and/or directed more than 150 shows at Moonlight Stage Productions in the last 30 years. She has seen major milestones during her tenure at Moonlight Stage Productions. In 2009, the completion of the new Moonlight Amphitheatre stage house, constructed in just nine months, was a 20-year dream realized by the City of Vista. The City's renovation of the Avo Playhouse, from a movie theater originally opened in 1948 to a venue hosting the Moonlight's winter seasons as well as numerous rental events, was another milestone in community support.

As a long-time employee of the City of Vista, Kathy has been recognized as Management Employee of the Year as well as receiving awards and recognition from the

California Women in Government for distinguished work; Soroptimists International of Oceanside for work which enhances the community; was named one of the "50 People to Watch" by *North County Magazine*; received the Craig Noel Award for Theatrical Trailblazer by the San Diego Theatre Critics Circle; and the Shiley Lifetime Achievement Award from the Patté Awards for Theatrical Excellence in 2006.

A longtime resident of Vista, she is married to Robert C. Brombacher, D.D.S. She holds a B.A. degree in Theatre Arts from the University of Redlands and an MFA degree in acting, and prior to founding Moonlight Stage Productions was a theatre and music educator in the Vista Unified School District.

Linden R. Burzell
1924-2008
Elected to Vista Hall of Fame
Regular Division 2008

Linden R. Burzell began his career in the water industry as a young Navy Ensign in 1945 when he was assigned to assist the resident officer in charge of administering construction work on the first San Diego Aqueduct.

He joined Vista Irrigation District as its District Engineer in 1946. By 1951, he was general manager and chief engineer. Among the many projects that Burzell brought to completion while at VID was the covering of the original 12 miles of open flume that brought water from Lake Henshaw via Lake Wohlford to Vista. He expanded and improved the infrastructure serving the communities within VID's boundaries, which were moving from an agricultural base to residential and commercial uses.

In 1964, he left to assume his new position as general manager and chief engineer of the San Diego

VISTA HALL OF FAME

County Water Authority.

Burzell returned to the VID in 1992 as a member of the Board of Directors. He worked at the policy level to maintain VID's high standards. He served as the Board's president in 1996, 2001 and 2006.

**Paul Luis Vincent Campo
1922-2007**

**Dorothy Maxine Campo
1920-2008**

**Elected to the Vista Hall of Fame
Regular Division 2016**

Paul and Dorothy Campo moved to Vista in 1954 and bought their home at 1210 Oak Drive where they would live until Paul died and Dorothy moved into assisted living. Paul had been hired to work at Camp Pendleton, where his engineering and geology degrees and experience in water management and hydrology helped him to rise to become its Director of Natural Resources before retiring in 1988. For a number of years, he worked alongside another well-known Vistan, William "Bill" Taylor.

Paul served as a trustee of the Vista Unified School District ("VUSD") for many years. While on the board, he championed the construction of the "new" Vista High School on Bobier Drive and led the effort to develop several more elementary schools to meet the VUSD's growing student population.

Paul always loved to talk about water. He would quote Mark Twain: "Whiskey is for drinking; water is for fighting over." Paul served on the board of the San Diego County Water District for many years, representing the Marine Corps' water interests at Camp Pendleton. He was an early promoter of building more water storage facilities for this area. Among Paul's colleagues on this agency was his friend and another well-known Vistan, Hans Doe. They, and several other of the older water experts, were collectively known as the "water buffaloes", a term that always made him laugh.

One of Paul's happiest days occurred when he was appointed, and then elected, to the Board of Directors of the Vista Irrigation District, representing District 1. In addition to covering Northeast Vista and the surrounding county land, he was responsible for Lake Henshaw, the District's water reservoir. Because of his interest in water storage and conservation, he made sure that the District never tried to sell off this valuable water resource. This has proven to be a wise decision, given the current water shortage throughout California. He served on the board for many years; only his death caused him to vacate his position. It should come as no surprise that one of his fellow directors was his close friend, fellow water buffalo, and another well-known Vistan, Linden "Lyn" Burzell.

Paul was married for over 57 years to his wife and best friend, Dorothy. Both of them loved what used to be the pastures and grove of old Vista, but understood and accepted the many changes that have occurred over the years.

Dorothy was not a traditional "stay-at-home" wife and mother. She first had a taste of the working world during World War II, when she served as secretary to a defense plant manager. By the time she came to Vista, she possessed the skill and experience to be hired by the VUSD to become the first secretary for the newly-built Crestview Elementary School. She spent many happy years at Crestview. She later transferred to Olive Elementary School, from which she retired in 1987.

Dorothy was also active in the Vista community. In the early 1960s, many of the non-certificated staff at the VUSD asked her to help them form a bargaining unit to negotiate the terms of their employment contract. She then founded the Vista chapter of the California School Employees Association, and served as its first president. For many years, Dorothy acted as a firm negotiator with the VUSD's management. As a result of her efforts, many of her fellow Vistans received better wages and terms of employment.

During her years with the VUSD, many parents and teachers came to know and love her. Most important to Dorothy, however, were the children who attended "her" elementary schools. She always kept her own money in her desk to loan to students who had forgotten their lunch money. For many years prior to government subsidies, she gave away lunch money to students whose families couldn't afford to make or buy them lunch. Years later, when one of those students whom she had helped previously bought lunch for her, she cried.

1939-2010
Elected to the Vista Hall of Fame
Regular Division 2016

Daniel Bennett Carr was born in 1939, in San Diego. His father worked in the Foreign Service so he was raised primarily in Latin America before moving to Chula Vista at the age of 16. At this young age, he worked at Bearing Engineering in San Diego in order to help provide financial support for his family.

Daniel married Sue Ann Crabbe on May 16, 1959 in Chula Vista.

He was a resident of Vista for forty years. He moved his family to Vista from Chula Vista in 1962 and resided in the community until 2002.

He was an honorable and successful business owner of Carr's City Auto Parts, established in 1962. He later purchased Vista Auto Parts and established North County Warehouse in the City of Vista.

Carr's City Auto Parts was one of the first parts stores to offer delivery service to auto repair shops, gasoline stations, and many other establishments such as Golden Arrow Dairy and Mc Mahan's Furniture Store, who both had their own small fleet of delivery trucks, as well as Prohoroff's Poultry Farm. He would often get up in the middle of the night to help a customer with a broken down vehicle so that they could continue on their deliveries and/or travels as needed.

Carr's City Auto Parts started at 341 N. Santa Fe Avenue. He then built a new and bigger store with a machine shop at 223 W. Vista Way. When the business outgrew that store he purchased the old Safeway Store/Drew's Appliance Center at 420 S. Santa Fe Avenue and moved it there where it continued to grow. It was here that he established North County Warehouse.

In the late 1960's or early 1970's, he also bought Vista Auto Parts. He built a new and larger building on East Vista Way with a machine shop for this business as well. He later sold Vista Auto Parts to Mr. Henry Boothman, a machinist who had worked for him for many years.

Daniel B. Carr, was an active member of Vista's Optimist Club serving as president from 1965 - 1966.

He was an effective and respected Planning Commissioner, serving the City of Vista in this role from 1970 - 1978.

In 1978, he was elected to Vista's City Council with the help and support of many other community members such as John M. Cosh, Terry Hensley, Frank Tiesen, Betty Minor, Orbee Mihalek, Ken Annin and Gil Duran, who were all members of his election committee.

During his term on the City Council from 1978-1982 he served as mayor of Vista from 1981-1982 and served his time in office with distinction.

He was one of the original founders of the Moonlight Amphitheatre in Brengle Terrace Park, successfully heading up the committee to get the original grading done by Mr. Carl Pinamonti.

He was an avid hunter and tennis player. He was a pilot and enjoyed flying his own airplane

He never aspired to be a politician. However, because he chose to raise his family and start his business career in the city of Vista, he believed that he had a duty to work for the betterment of the city that gave us so much. He knew he could do good work in the political arena of the city. He was extremely grateful for all the opportunities Vista had provided for us and was honored to serve his beloved "City of Vista" in anyway that he was able.

Brooks Cavanaugh
Elected to Vista Hall of Fame
Regular Division 2018

Brooks was born and raised in Upland, California. In 1955 his family moved to Costa Mesa where he graduated from Newport Harbor High. At Orange Coast College he studied engineering and architecture. In 1970 a City Planner job opportunity arose at the City of Vista. Brooks was hired when the population was just 17,000.

In 1975 the Thibodo family offered to annex

VISTA HALL OF FAME

approximately 900 acres to Vista, now known as Shadowridge. Brooks began processing the annexation but left the city in 1976 to work for CM Engineering, the lead engineering firm for the annexation.

In 1978, Brooks as a member of the Vista Chamber of Commerce Action Committee proposed annexation of an additional 1,200 acres south of Shadowridge. The city consented and 15 major property owners supported the annexation and rezone to a Research Light Industrial Park now known as the Vista Business Park.

In 1976 The County Land Use Council was formed with the purpose of protecting private property rights. Brooks became its first executive director.

In 1980 Brooks established Land Planning Consultants to assist property owners in development studies and governmental processing. This local Vista business has been in operation almost 40 years.

Brooks was instrumental in the formation of the South Vista Business Park improvement district in 1986. The district purpose was the building of necessary infrastructure including roads and utilities. Sycamore Road, Business Park Dr, and Poinsettia are just a few of those roads. The owners invested over 8 million dollars and was completed in 1988. For the next 20 years, Brooks consulted with over 30 owners providing development plans for use of their business park land.

Brooks and Attorney David Larkin along with the assistance of several other local Vistans formed The Vista Conservancy in early 2000. The Vista Conservancy mission is to preserve environmentally sensitive lands. Along with the City of Vista, today you can walk from the Rancho Vista Adobe to Brengle Terrace Park. Brooks was instrumental in its formation and is still actively involved.

Brooks also chaired the 1996 down town Vista citizen's planning committee which provided direction for the Vista Village Plan. In 2008 Brooks served on the city redevelopment planning and development committee helping to identify areas such as South Santa Fe needing economic stimulation for redevelopment. Since 2006 Brooks has consulted to the Vista Fire Protection District. He has assisted the district in creating 6 North Vista emergency evacuation roads.

Brooks and his first wife Joan raised 3 children in Vista, Christa, Jolean and Daniel. There are now 13 grandchildren and 2 great grandchildren. Today, Brooks and Stephanie continue to work and live in Vista and enjoy the grandchildren!

**Dr. Dave Cowles
Elected to Vista Hall of Fame
Regular Division 2023**

Dave Cowles first came to Vista in 1962 when his mother, Mary Cowles, began teaching at Santa Fe Elementary School. At that time, he was in college in Seattle, but spent summers in and around Vista with his family. He grew to appreciate the climate, lifestyle and nearby attractions in Vista and always hoped to be able to live here one day. That opportunity came to him in 1998 when he was selected to be Superintendent of the Vista Unified School District. He arrived in his new position facing many challenges. Vista had undergone dramatic growth in the prior 10 years and the schools had become extremely overcrowded. Schools were on a complicated “year-round” schedule which was the only way to accommodate an influx of nearly 15,000 new students into existing schools designed to hold only 10,000 pupils. Dave wasted no time enlisting the help of parents, community, and business groups to ex-

plore ways to add new schools into the district. The only possible solution was to pass a local school bond and leverage those dollars to receive State matching funds for new school construction. In March 2002, Vista Unified School District voters overwhelmingly passed Proposition O in the amount of \$140 million dollars which, with matching State funds, provided nearly \$300 million to build 9 new schools and add modernization improvements to all existing schools.

As part of the school construction program, Rancho Minerva Middle School was built at the corner of Foothill Drive and San Clemente Avenue. In order to efficiently use the Huntalas’ property that had been acquired by the school district years earlier, the Huntalas’ home (Rancho Minerva) was deeded over to the City of Vista to house the Vista Historical Society. In addition to Rancho Minerva Middle School, other schools built with Proposition O funds included Temple Heights Elementary, Foothill Oak Elementary, Hannalei Elementary, Maryland Elementary, Mission Vista High and Major General Raymond Murray Continuation High. Much needed multi-Purpose buildings were added to Casita Elementary and Washington Middle School (now Vista Innovations and Design Academy VIDA). A new Football/Soccer stadium was built at Rancho Buena Vista High as well. These educational infrastructure improvements in the City of Vista sparked a new and revitalized energy to launch other City-wide improvements. Dave also served on the committee for the passage of the City of Vista’s Proposition L which provided vital resources to fund public safety, including new fire stations, as well as a new City Hall, a new sports park, and the rebuilding of the Moonlight Amphitheatre.

While superintendent, Dave worked with Mayor Morris Vance and community members to establish the Vista Education Foundation (VEF) which for the past seventeen years has provided educational support and scholarships to Vista students and schools.

After retiring from the School District in 2006, Dave has continued his community involvement by serving on the Board of Trustees for the Vista Community Clinic, the Board of Directors for

the Moonlight Cultural Foundation, and the Board of Directors for Operation Hope.

In 2010, Dave was elected to the Vista City Council where he served four years. During his time in office, several downtown improvements were initiated including the Paseo Santa Fe Redevelopment Project and the Downtown Improvement District.

Dave remains active in the Vista community along with his wife and their daughter's family who also lives in Vista. The three grandchildren living here attend Vista Schools. Their other three children and four grandchildren live in Granite Bay, CA, Lompoc, CA, and Sydney, Australia.

Diane 1933-2018

**Elected to Vista Hall of Fame
Regular Division 2014**

Very few people can say they know Vista as well as Diane and Paul Eckert know Vista.

Diane's parents, Robert and Myrna El-singer, had been residents of Vista since before she was born, and in 1950, Paul's parents settled here while Paul stayed with an uncle in Lawndale, CA, to finish high school. After Paul graduated high school

VISTA HALL OF FAME

he relocated to join his parents. Together they started Eckert & Son's Moving & Storage located at 621 S Santa Fe Ave, Vista, CA, in May of 1953.

Diane, maiden name Elsinger, finished high school in Vista and went off to Stephens College in Missouri. Upon her return after graduation in June of 1954, she attended the Vistacado Fair where she and Paul met for the first time.

Vista was a small, yet close knit community with about 8,500 people. Now, decades later, the population in this town has grown to over 120,000!

"I loved it so much when Vista was a little town, you knew everyone," Diane recalls. Paul says, "We used to do all kinds of things, including the last Vistacado Fair." He also remembers putting up all of the Christmas decorations in downtown Vista, sponsoring a book drive for the branch library, and coloring 1500 eggs for the egg hunt.

Paul and Diane went on to have 2 children, Robert and Paula, who grew up to have professions and families of their own, including 6 wonderful grandchildren and now 5 great-grandchildren for Paul and Diane. Robert and Paula eventually decided to join Paul in running the moving business and continue to work in the office keeping it a family run operation.

Paul's public service career began with the Vista Junior Chamber of Commerce, and Diane joined the Jaycees' wives' group. They both became actively involved with the local Elks Club and with the Boys & Girls Club, formerly known as the Boys Club. Paul was involved in the San Marcos Rotary Club as well.

Together over the course of 6 months, Paul & Diane campaigned for Paul's election to the County Board of Supervisors in 1978, where he went on to serve 8 years.

Paul remembers one of the highlights of that time "Diane and I were invited to have cocktails with Queen Elizabeth and Prince Phillip on their yacht in the San Diego Harbor!"

He also recalls a personal invitation, along with 200 others, including then San Diego Mayor Bill Cleator, to the White House during the Ronald Reagan administration and having coffee and rolls in the East Room. "You've gotta be impressed," he exclaimed.

Looking back, Paul is proud to say he was involved with the county's "Workfare", a work-for-welfare program instituted in San Diego at the time, but is still being utilized in some areas today.

After serving on the County Board of Supervisors, he returned to be involved in the Vista community. Diane was president of the Vista Historical Society from 2003 to 2009 and quickly put Paul to work.

Paul negotiated with the City of Vista to get the Rancho Minerva house for the Historical Society and went

to work refurbishing it. The previous owners, the Huntalas's, have since formally made Paul an honorary member of the Huntalas family.

Paul was president of the Vista Historical Society when they opened the museum in Rancho Minerva in 2009.

More recently, Paul has been involved with a Christian healing center at Branches of the Cross Anglican Church in Vista, saying, "It will be a tremendous asset to the community." He has also continued to help the Boys & Girls Club, being responsible for building its new kitchen, dining room, teen room, and several offices. He hopes that by July he will have an elevator installed to serve the second floor of the building that houses this beneficial youth program.

Paul and Diane Eckert would like to extend their sincerest gratitude to the society and those involved for selecting them to receive this honor.

he applied for Frazier's Crossing as the name for the community. That name was rejected as there already was a Frazier in California. The name Buena Vista was also rejected. Sandi Graham
Elected to Vista Hall of Fame
Regular Division 2022

I was born in Oceanside at a hospital located on a hillside many years before Tri-City Hospital was even thought of and there was a 2 lane road between Vista and Oceanside.

My mother graduated from Oceanside High School, was Miss Vista in 1929 and married my dad in 1933. I was their first child coming along in 1938 and my brother 3 years later.

Working in the family's drugstore (McDougall's Pharmacy) during my high school years was one of my fondest memories.

VISTA HALL OF FAME

I graduated from Vista High School in 1956, and attended Palomar College for 2 years.

I met my future husband at a wedding where he was the groom's best friend. He taught school at Lincoln Middle School. We got married in 1964, and had our only child, a daughter, in 1972. Unfortunately the marriage ended in 1985.

After various jobs in local Dentist/Doctor's offices as a Secretary I was lucky enough to find a job with Vista Unified School District as a secretary and eventually became an Administrative Assistant at California Avenue School which is a school for the handicapped children. I retired in 2002.

After retirement I became restless and needed something to do so I started volunteering for various organizations starting with the Social Committee at Vista Del Mar where I live, which is a retirement complex on Breeze Hill off of Pomelo.

I am a member of the PEO Chapter in Vista, taking after my mother and grandmother.

I continue to be a member for many years of the Triple M Club (which my mother and other ladies started back in the 1920s). Our goal is to raise funds for scholarships for high school students.

I became a Moonlight Angel for the Moonlight Amphitheatre volunteering during the shows as an usher and "ticket writer" which I am still doing. I was just awarded the "Star of the Year" last year for my 20 years as a volunteer. This turned out to be my absolute favorite thing to do!!!! How could you NOT love the Moonlight?

I also have been a member of the Vista Historical Society for at least 28 years which includes 18 years as the Membership Chairman. One of my favorite things to do is enjoying looking at pictures of "Old" Vista and reminiscing about life here in Vista.

One of the other "fun" things I did as a volunteer was driving a golf cart that was used to pick up seniors at their cars at the Senior Center when they came in for lunch then taking them back to their cars. What made this especially fun was "working" with my good friend Norm Halus. Wonderful memories.

As you can see volunteering has been a big part of my life. I guess you can say mom and dad had taught me that it was one of the most gratifying things you could do.

Norm Halus
Elected to Vista Hall of Fame
Regular Division 2022

I am proud to nominate Norm Halus for the 2022 Hall of Fame. A long-time Vista resident, Norm has made a significant impact on the quality of life in Vista's neighborhoods and parks, and on seniors and community groups. He demonstrates exceptional commitment to volunteerism by helping with special project or ongoing activities, serving as a role model by inspiring others.

Norm volunteers many hours in the community and for the City of Vista. He seems to know everyone, greeting them with a smile and a factoid about the city. He is active, positive, and cheerful, bringing people together to make Vista a better place to live.

Norm married his high school sweetheart, Martha in 1952 and pursued his engineering degree at Purdue University. They raised their family and then retired to Vista in 1989, becoming active volunteers in the community.

Since 1992, Norm has served on a City of Vista Commission. Following his wife's death in 2008, Norm continued adding to his daily volunteer activities with the city, his homeowner's association, and on the Scripps Community Advisory Board. In 2013, Norm received the 2013 Vista Chamber of Commerce Educator of the Year Award.

Norm continues to make a positive impact on Vista and what sets him apart, is his love for the city, knowledge of its history, engagement with it's present, and his shared vision for its future. Visitors meeting Norm always walk away knowing more about the city's many amenities and activities. Passionate about improving the quality of life for residents, he has touched numerous facets of City Hall's policies and decisions on traffic, planning, current and new parks, and recreational opportunities. Edwin G. Hart

Edwin Giles Hart
1874-1939
Elected to the Vista Hall
of Fame
Early Residents Division
2017

VISTA HALL OF FAME

From his arrival in Vista in 1925 until his death in December of 1939, Edwin G. Hart was closely identified with the development of the Vista Irrigation District and one of the principal developers of agriculture in the district. He was the head of the Vista Development Association, subdivider of about 2200 acres of land in Vista, president of the Edwin G. Hart Co. and was the principal organizer of the First National Bank of Vista of which he had been a stockholder and officer since it began business in 1928. Dale E. Wood and Harry Reynolds were Vista agents for disposal of the properties. Later, both were real estate brokers in Vista. He was also president of the San Luis Rey Development Association where his organization owned some 1800 acres.

E. G. Hart was born in Cleveland, Ohio in 1874, to John, a Civil War veteran, and Emma Hart. The family moved to California in 1884, where John Hart grew grapes on 40 acres in the Sierra Madre and was prominent in professional music circles. Edwin had two brothers, John, an attorney who served as Acting District Attorney of Los Angeles, and Frank, an accomplished pianist and manager of the Southern California Music Company.

After being in the mining business in Mexico, E.G. Hart went into land development in Southern California.

Mr. Hart was the leading developer of California's expansive avocado industry. His avocado and citrus fruit developments had a large part in creating La Habra Heights, Vista, and North Whittier Heights. The city of San Marino, near Pasadena, and its school system were organized many years ago, largely due to Mr. Hart's vision and perseverance.

His first avocado growing experiments were carried on at San Marino after which he developed 1700 acres and the first hillside terraced orchards at North Whittier Heights. Then 3600 acres were developed at La Habra Heights and some 2200 at Vista.

Water and road system developments were followed by plantings. Mr. Hart had also developed probably the largest collection of hibiscus in the State. He was a past president of the Los Angeles Realty Board, first president of the California Avocado Association and an organizer of the Calavo Growers of California. He was also a Los Angeles Chamber of Commerce leader and interested in the welfare of many agricultural industries.

He was killed when he was struck down by an automobile on East Olympic Boulevard in Los Angeles, on Dec. 6, 1939. At the inquest, the fatal car's driver was exonerated after the widow had asked that he be absolved

of blame due to the glaring lights of many cars and to the fact that the new boulevard had not been lined off as yet.

VISTA HALL OF FAME

**Doug Davis and Randall Hickman
Elected to Vista Hall of Fame
Regular Division 2023**

On a Spring day in 1989 there was a great deal of excitement at the Senior Center. Auditions were underway for the Summer Season of the Moonlight and there were many hopeful actors of all ages waiting for their turn to be seen by the directors and choreographers. Many of the actors were familiar faces and had been on the Moonlight stage in past years. Into the crowded entry area there came two new, very handsome, faces. Enter Randall Hickman and Doug Davis. They just arrived in the area from Southern Utah. They had recently graduated from Southern Utah College and were intending to enroll in the Masters Program at San Diego State. They had seen a notice in the paper and they walked into the middle of the open auditions. The teenage girls were immediately a twitter and when they showed everyone there the level of their talent the entire building, inside and out, was a buzz. That summer Randy had the roles of Rudolph in Hello Dolly, Joe Hardy in Damn Yankees and who could forget his arrival on a black stallion as Lancelot in Camelot. Doug had the roles of Cornelius Hackle in Hello Dolly, a ballplayer in Damn Yankees and a Knight of the Round Table in Camelot. The following summer saw Randy as Frank Butler in Annie Get Your Gun. The more the boys were in Vista the more they fell in love with the area. About this time the Vista schools went to a Year Round schedule. Randy and Doug started the Arts Between the Tracks program. As the years rolled around the youth program they had run for the Vista Recreation Program became the Premi-

ere for Kids youth arts program which provided arts training for local students through summer and after school. This program eventually added the Premiere Productions program for adults also. Eventually in 2004 the pair opened the Broadway Theatre in downtown Vista. They also have a youth company in San Marcos, Broadway Theatre West. Recently they have added dinner theatre at the Wildwood Restaurant in town.

Hundreds of youth and adults have become a part of the gift given this community by the two boys from Utah. Randy has appeared in over 40 Moonlight productions in such iconic roles as The Pirate King in Pirates of Penzance, Captain Hook in Peter Pan, Edna Tumblood in Hairspray, Ursula the Sea Witch in The Little Mermaid, Uncle Festus in Addams Family, Miss Trunchbull in Matilda and most recently as Nostradamus in Something Rotten. Doug has as appeared in many Moonlight shows, also, but is known primarily for his beautiful sets and drops painted for the many productions at the Avo and at the Broadway. He is responsible for the painting of the early firemen on the side of the Curbside building and the newest painting outside the Broadway Theatre. Doug is also very well known for his outrageous raffle prizes during the shows at the Broadway.

The joy and beauty these two men have brought to the City of Vista and the lives they have enriched with their creativity and love for the community has been a gift that will continue for many years to come.

**Pat and Connie Hubbard
Elected to Vista Hall of Fame
Regular Division 2023**

Pat and Connie Hubbard have been an integral part of Vista's social fabric and business community for more than 60 years. and they have a deep love for this wonderful town, its people, and its history. They first met in 1957. at a dance held at the National Guard Armory in what is now the riverwalk area of Vista Village. Pat was working at the Quality Market on Indiana Ave, getting ready for the big move to Shop Smart. which was to be the first supermarket in north San Diego County. Connie was a high school bobby-soxer from Oceanside. When they got married two years later. they elected to stay in Vista and start their family here. And here they remained.

From the beginning, they wanted to involve themselves in what was then a small town of less than 10,000 people. They joined the Lions Club of Vista in 1959 and became two of the youngest members in the entire country; they helped start the Vista Boys & Girls Club; and they built a business - Hubbard's Meats - that was known as much for its great customer services as for its excellent porterhouse steaks. In those early days, they shared the commercial landscape with other family-run businesses, such as Dura Paint (Olinger), Peppertree Frosty (Villasenor), Paul's Sporting Goods (Eskanazy), Shclhoup's Department Store, McDougal's Drug Store, and Austin's Jewelers. It was hard to get lost in Vista back then, since the only two streets that mattered were Santa Fe Avenue and Vista Way.

They owned the butcher shop for the better part of 40 years, and because it was a full-service market, it gave them a chance to socialize. The people who came into the meat store were friends first, customers second.

When they weren't working, they traveled extensively. They were always happiest, however, during that last leg of the trip when they were headed back to

Vista. It was and remains a hometown that follows you everywhere you go. They loved the climate here, the small-town feel, the Jacaranda trees and the tomato farms. But most of all. they loved the people. They still do.

When they sold the butcher shop in the 1990s, they weren't ready to retire; so they became realtors, taking special joy in finding young couples their first house. They also increased their community involvement. Connie, for example, joined the Children's Home Society. She also became a docent at Rancho Buena Vista Adobe, giving tours at what maybe the most interesting house in all of North County.

Perhaps most important, they raised a family of four boys who share their affection for this beautiful town - this city of strawberries and sunshine.

We are all older now. And as the years go by Connie and Pat seem more ingrained than ever in the history of Vista. When I walk behind the Vista Village Pub, I see the city mural painted there, and what of the scenes shows my dad and Grandpa driving an old style meat wagon it makes me so proud not just of them, but of this town. It is nice to live in a place that remembers the people who built it, brought it out of God's rich earth and made it a postcard for everything right and hopeful about Southern California.

I had occasion recently to look at the current list of Vistans in the Hall of Fame and I was struck by how many of the names were familiar to me names like Amend, Brombacher, Delpy, Fields, Huntalas, McClelland, Mottino, Pinamonti, Rappaport, Shada, and Shadle. These are the people my parents grew up with in some cases learned from. These are the people who, along with my mom and dad, always said "yes". They said yes to PTA meetings; yes to coaching basketball and baseball teams; yes the sponsoring food drives to Tijuana; yes to building parks and organizing parades. They would readily put aside their personal interests and do the work necessary to make Vista a great place to live and raise a family. David, Mike, Tim, and Todd Hubbard

Bill Huntas
1917-1998
Elected to Vista Hall of Fame
Early Residents Division 2019

Bill Huntas was born in 1917 in Tehachapi, CA to Nick and Bessie Huntas. Nick Huntas had purchased the land around the current Rancho Minerva ranch in Vista, CA, in 1911 but at the time of Bill's birth he was still working as a railroad laborer in the Tehachapi area. Later in 1917 Nick, Bessie and their young son, Bill, moved to Vista to begin their life on Rancho Minerva.

Bill grew up in the family's original farmhouse alongside Foothill Drive in Vista and attended the first schools established in the Oceanside area. As a teenager, Bill helped his father make the adobe bricks that were used to construct the current Rancho Minerva Adobe residence. He also designed and built the large water fountain structure behind the adobe.

As a high school student, Bill excelled in track and field events winning the Southern California CIF high school 100 yard dash championship with a then record time of 9.8 seconds. This record set in 1937 stood for over ten years.

Bill then attended the University of California at Berkeley graduating with a B.S. degree in engineering, specializing in metallurgy. He was hired directly out of college in 1942 along with most of his graduating engineering class by the Alcoa Aluminum Company to support the war effort.

After five years at Alcoa Bill founded his own company, Felton Aluminum Company based in Felton, California. He later moved his company to Santa Clara, CA where he built a large aluminum foundry specializing in sand cast aluminum products for irrigation systems, defense products and other consumer goods. Felton Aluminum became known as a world leader in specialty aluminum products with customers spanning across the globe. Bill was recognized throughout the industry as a specialist in the design and manufacturing of aluminum cast products. He served as President of Felton Aluminum for more than forty five years. Bill died on March 29, 1998 at the age of 80.

Nicholas "Nick" Huntas
1884-1980
Bessie Huntas
1896-1992
Elected to Vista Hall of Fame
Early Residents Division 2011

Nick Huntas emigrated from the village of Kadilla, Greece, to the United States in 1902.

He traveled as far west as he could and ended up in Chico, a little village north of San Francisco. He remembered arriving very hungry and walking up to an orange packing house. He asked the workers for some oranges to eat, but they turned him away. Behind the building he found a pile of discarded fruit and gorged himself. He survived on oranges for a week. At this point, he was very grateful for his luck and mused that someday he would grow lots of oranges.

His first job was as a laborer for the Southern Pacific Railroad in Bakersfield. With the help of a friend named Frank Barkholder, Nick learned English and advanced at his job.

In 1911, a group of Nicholas's friends got together to form the Greek American Land Company. Huntas became the vice president. They pooled what little money they had saved to invest in land. With this money, they went to a real estate broker from Los Angeles who drove them down to Vista, where they bought 420 acres of land. They leased the land to local ranchers, who used it to graze their cattle. Nick believed that Vista was the best place in California. So when one by one the other investors sold their portion of the acreage, he bought most of it.

VISTA HALL OF FAME

In 1916, Huntalas decided to get married. As was common for Greeks, he made plans to go back to Greece to find a bride. He had been writing to a cousin he had never met in Patterson, New Jersey. She asked him, on his way to Greece, to stop by and visit her as well as meet a friend. When Nick met the friend, whose name was Bessie, they fell in love. In three days they were married and heading back to California.

Nicholas still worked for the railroad in Bakersfield, but after a year decided to quit and farm his land in Vista.

Living in Vista in 1917 meant a life of isolation and little if any modern comforts. Nicholas built a four-room house, which didn't include the luxury of electricity, plumbing or running water.

At the time, Nicholas was limited to dry-farming. He grew barley and oats when the weather was wet enough. But this crop was not very profitable. Back then, the weather was very dry. Dry-farming was the principal business, as the area's severe water shortage prohibited any extensive irrigation. By 1923, the water problem was acute.

Huntalas's water came from a deep well on his property, but he still needed additional water in order to be able to grow more profitable crops.

In 1923, Nicholas Huntalas was among the first signers of the Vista Irrigation District Water Plan for Vista. The water would come from the recently completed reservoir at Lake Henshaw about 40 miles away, owned by the San Diego Water Company.

The Vista Irrigation District was formed, and irrigation water became available in 1926.

For the Huntalas family, which now consisted of three children as well as Nick and Bessie, the availability of water made a great change in their livelihood.

With the increased supply of water, Nicholas Huntalas began to grow vegetables and plant trees. In about 1928, a new product came alive: the avocado.

Receptive to new ideas and challenges, he started his own nursery from seedlings. In 1933, Nicholas Huntalas had over 5,000 trees, including avocados, oranges, lemons and grapefruit. Nick assisted universities with the development of the tangelo and an avocado strain resistant to root rot.

While the country was in the Great Depression, the Huntalas' continued to thrive. They had a new home, Rancho Minerva, which was built in 1933. The adobe house, complete with full basement, was ready to move into in May, 1934. For the first time, the family enjoyed indoor plumbing, with hot and cold running water, an electric stove and refrigerator and even a chandelier in the living room.

Nick Huntalas and his wife, Bessie, remained at the ranch until their deaths.

Later, the remaining land was taken for a school that opened in 2007. The historic home is now the Vista Historical Society Museum.

**Ted Huntalas
1923-2016
Elected to Vista Hall of Fame
Regular Division 2020**

Ted Huntalas was born in the original farmhouse on the family ranch in Vista. That ranch later became known as Rancho Minerva, named by his father for the goddess of wisdom. Ted's birth was attended by a midwife, Mrs. Lorenza Serrano Marron, a granddaughter of the man who accompanied Father Serra to California. The Spanish style adobe home on Rancho Minerva was built in 1933 of bricks made on the property by the contractor. Ted was raised in the home that now serves as the Vista Historical Society Museum.

Ted was the youngest son of Nick and Bessie Huntalas who came to Vista in 1911 to start farming. They acquired a 420 acre tract of land that had originally been part of a Mexican land grant that covered the North County region.

Ted attended Vista High School and took pride in being a member of the first senior graduating class. Following his school graduation, Ted served in the US Army for two years during WWII in the Philippines. He was discharged in 1946 as a Staff Sergeant and then attended UC Berkeley. After college graduation,

VISTA HALL OF FAME

Ted returned to Rancho Minerva to manage the family citrus ranch.

Ted was witness to the development of the North County agricultural region that transformed from dry farming to more profitable fruit and vegetable farming with the advent of electricity and water in the 1930's. The Huntalas family was instrumental in forming the Vista Irrigation District that brought the first water to the new rural farming areas in Vista.

Rancho Minerva served as a hub of agricultural development for the burgeoning citrus and avocado industries in the North Country. The ranch grew during 1950's and 1960's to include over 5,000 trees and produced 200,000 pounds of annually of avocado, orange and lemon produce

Later with the continuing growth of Vista, Ted was active as a licensed realtor and land developer. By funding the infrastructure improvements along Foot-hill Drive, including the original acreage that Rancho Minerva School is built on, he made it possible for housing to develop.

Throughout Ted's entire life, he was a very active, energetic person who embraced life to the fullest. He approached everything in life with a smile on this face and instilled the values of hard work and perseverance to all around him.

Ted was a frequent donor to the Vista Historical Society, and honored by being made a life time member. Ted was a member of Greek Orthodox Churches, the Hellenic Cultural Society, and a lifetime member of the AHEPA and the Pan Arcadian Greek philanthropy organizations.

Ted retired in 1993 after 70 years of hard work, to enjoy his grandchildren and tour the world with his beloved wife, Irene. All three of his children graduated from college and came back to the area to pursue their careers and raise their families. Ted spent many happy years surrounded by family and loved telling his grandchildren stories about the ranch and the history of Vista.

She does all this in addition to owning a family business, Hutchins Printing, since 1978.

In 2013 she and her son Eric launched TheVistaPress.com, an online publication, to fill the need for an outlet for community awareness and information. She publishes community service announcements in TheVistaPress.com at no charge to non-profits,.

Eleanor works so many volunteer hours for the community that she can't keep track of them all! It seems that she knows everyone in Vista and brings people together to make Vista a better place to live. She works tirelessly to benefit others in need. She's always volunteering and working in the community and setting up new events and projects to make others' lives more productive and comfortable. She is active, positive, and an asset to the community.

Eleanor deserves this recognition for her years of volunteering and connecting in the community. She has made a positive impact on Vista.

Darrell E. Issa
Elected to Vista Hall of Fame
Regular Division 2019

Born November 1, 1953 in Cleveland, OH (the second of six children) Darrell E. Issa is a businessman and Republican politician. In 1970, on his 17th birthday, Issa dropped out of high school and enlisted for three years in the Army. He became an Explosives Ordinance Disposal (EOD) technician.

Issa received a hardship discharge from the Army in 1972 (his father had suffered a heart attack) and earned a General Educational Development (GED) certificate. Issa attended Siena Heights University, a small Roman Catholic college in Adrian, MI. Later, while getting a BA Degree Kent State University at Stark, he enrolled in the Reserve Officer Training Corps and was commissioned a second lieutenant. He served in the Army Reserves from 1976 to 1980 and was promoted to the rank of captain.

After leaving the military, Issa and his wife Kathy, moved back to the Cleveland area where their son, William was born. They pooled their savings to invest in Quantum Enterprises, an electronics manufacturer that assembled bug zappers, radio parts and various consumer products for other companies. Issa later purchased a struggling auto security company, turned it around and became a supplier to Ford as well as producing a proprietary line of automotive security products. As car theft rose in the 1980's, so did the demand for security devices. Toyota, Jaguar, BMW and General Motors joined Ford as customers. Issa sold the company to a California-based maker of home alarms, moved to Vista (where they has lived ever since) to work for the company.

VISTA HALL OF FAME

Shortly afterward he left to start Directed Electronics, Inc (DEI) one of the largest auto security manufacturers, which has been a North County employer since 1985 and a large Vista employer since 1989.

With his involvement in consumer-electronics trade associations, Issa became politically active. In 1996 he was chairman of the successful campaign to pass California Proposition 209, a ballot initiative which prohibited public institutions in California from considering race, sex, or ethnicity in the areas of public employment, public contracting, or public education. He was instrumental in persuading the Republican Party to hold its 1996 convention in San Diego.

Issa's first campaign for elected office was 1998, when he sought the Republican nomination for United States Senate to run against incumbent Barbara Boxer. He lost the primary election to Matt Fong. In 2000 nine-term incumbent Republican U.S. Congressman Ron Packard decided not to run for reelection. Issa ran for Packard's seat, capitalizing on his name recognition from the 1998 Senate race and won the November election with 61% of the vote. After the 2008 elections, Issa was appointed ranking member of the Committee on Oversight and Government Reform. Following the 2010 elections, Issa became chairman. He became a vocal advocate for improving transparency of federal agency reports and a Government Accountability Office examination of the Federal Reserve. He also became an advocate for investigations into the Obama administration, including the Troubled Assets Relief Program, the Financial Crisis Inquiry Commission, corruption in Afghanistan, WikiLeaks, and the Food and Drug Administration, among other issues.

In 2010 the Project on Government Oversight, a government watchdog group, awarded Issa with its Good Government Award for his contributions to government oversight and transparency. In 2013 Issa introduced the Digital Accountability and Transparency Act of 2013 aimed to make information on federal expenditures more easily available, accessible, and transparent. The bill was signed into law by President Obama on May 9, 2014. Other legislation introduced and passed was intended to reduce IT procurement-related waste, and the Federal Information Security Modernization Act of 2014.

In July 2017, Issa introduced the CLASSICS Act to Congress in a bipartisan effort to empower artists through the collection of royalties for the preceding three-year period and by ensuring their creative rights remain in force for pre-1972 recordings just as newer artists are guaranteed by current legislation. Issa has been a consistent supporter of the Fair Play Fair Pay Act: granting radio performance rights for musicians and record producers.

In addition to the Oversight Committee Issa also served on the Committee on Foreign Affairs (Middle East and North Africa subcommittees and the Subcommittee on Terrorism, Nonproliferation and Trade); Committee of the Judiciary (subcommittee on Courts, Intellectual Property and the Internet (Chair) and the subcommittee on Regulatory Reform, Commercial and Antitrust Law.

Issa announced in January 2018 that he would not seek re-election for the House seat. On September 19, 2018 President Donald Trump nominated Issa to be Director of the United States Trade Development Agency and he is currently awaiting Senate Confirmation for that position.

Over the last twenty years many local groups have been beneficiaries of the Issa Family Foundation which has concentrated its support in Vista and the North County.

**Bainbridge Morse Larkin
1917-1982**
**Nancy Jane Cooper Larkin
1916-1986**
**Elected to the Vista Hall of Fame
Early Residents Division 2020**

Dick and Nancy Larkin moved to Vista in the spring of 1949 with their three children: David, Janet and Daniel. Nancy was with child to be born in August.

Historical Background

Bainbridge Morse Larkin, DMD ("Dick Larkin") was born in Georgetown Massachusetts on April 16, 1917. Georgetown was a small town in northeastern Massachusetts, incorporated in 1838. The house in which Dick grew up (an American arts and crafts Bungalow) was built by Dick's parents, Greta Morse and Richard Larkin in 1915. The Bungalow has been completely restored by Dick's niece, Louise Ann Richardson, and is registered with the Massachusetts Historical Commission as the Larkin — Morse — Richardson House. Parenthetically, the Bungalow has always been in a woman's name, but that's another story.

Dick graduated from Haverhill High School where he was on the football and baseball teams. Dick also played trombone in the high school orchestra. At age 16 "Dick won a trip to Europe playing" "I'm Getting Sentimental Over You" (Tommy Dorsey's theme song) in a local talent contest. During his high school years Dick played trombone in the Haverhill DeMolay band, directed by Howard Rowell, a cornetists with the John Philip Sousa band.

Nancy Jane Cooper Larkin ("Nancy Larkin") was born in Bellaire, Ohio on December 16, 1916. Nancy's father, Kenneth G. Cooper, was a lawyer and an active member of the Presbyterian Church in Bellaire. Nancy's mother, Florence Long Cooper, was an Ohio State graduate and very active in civic affairs in Bellaire. Florence was responsible for starting the Girl Scouts in the state of Ohio.

Nancy was very active in clubs at Bellaire High School. Outside of high school Nancy assisted her mother with the civic activities in Bellaire and was involved with youth activities at the Bellaire Presbyterian Church. Nancy graduated valedictorian of her high school class.

Dick and Nancy met at Swarthmore College in Pennsylvania. Dick majored in economics. Nancy majored in sociology. Nancy was invited into Phi Beta Kappa and graduated Cum laude. After graduation from Swarthmore, Dick went to work for North Western Mutual Life Insurance and was sent to Hartford, Connecticut. Nancy returned to Ohio

VISTA HALL OF FAME

and became a social worker in a tough section of Columbus where she had to carry a gun for protection

Because Dick and Nancy had been sweethearts at Swarthmore, they decided that a long distance romance was less than desirable; thus they were married at the Presbyterian Church in Bellaire, Ohio on December 30, 1939.

Nancy moved to Connecticut where they lived until Dick decided he wanted to become a dentist. In the fall of 1940 Dick entered the dental program at Tufts University in Boston, Massachusetts.

Dick and Nancy had their first child, David Morse Larkin, on April 3, 1941.

December 7, 1941, "a day in infamy", when the Japanese Imperial Navy attacked Pearl Harbor, brought about radical change in the United States. Tufts dental school was taken over by the U.S. Navy. The Navy accelerated the dental program to prepare dentists for active duty as soon as possible.

While completing Dental School Dick and Nancy had their second child, Janet Adams Larkin, on March 15, 1944.

Dick graduated cum laude from Tufts. Due to his outstanding performance as a dental student, Tufts and the Navy requested Dick to teach younger dental students to help ready them for active duty. Thereafter, Dick was immediately stationed at Newport, Rhode Island. Nancy, David and Janet followed Dick to Newport where they lived in military housing. At night all buildings were blacked out.

The war ended in the summer of 1945 and Dick and David (then 4 1/2 years old) hopped in a 1941 Mercury Coupe and headed for California. Dick chose La Jolla as their destination. Nancy and Janet went to Bellaire, Ohio to live with Nancy's parents until Dick located the house.

Dick immediately began to practice dentistry, having taken over a retiring dentist's practice. The office was well located on La Jolla Blvd. near Scripps Hospital and the Bishops School. Dick's dental practice rapidly grew and he remodeled the office to include a tropical garden and waterfall view from every operatory.

In La Jolla Dick and Nancy had their third child, Daniel Cooper Larkin, born on Leap Year Day, February 29, 1948.

After three years in La Jolla, Dick and Nancy, being cognizant of the rapid growth in La Jolla and somewhat disenchanted with the number of La Jolla's overcast days, began a quest for a community with a slower pace and country environment. At that time Nancy was pregnant with their fourth child.

A New Home in Vista, California

Dick and Nancy moved to Vista in the spring of 1949 with their three children and one on the way. The couple was drawn to Vista for a variety of reasons.

Vista was a quaint community with a population of approximately 5000. Vista had its own water source, thanks to the foresight of early pioneers of Vista in the 1920's. The Vista schools were well organized. Vista's climate was the best in the world according to the Chamber of Commerce. At the time Vista was considered to be the avocado center for San Diego County.

Dick and Nancy bought a five bedroom, 2 1/2 bath home on 3 1/2 acres with approximately 1 1/2 acres of avocados for \$25,000. The house was located at 639 Hillside Dr. which shared a common boundary with Charles and Mita Royer.

At the time Dick and Nancy moved into their new home, the avocados had not been picked. Calavo recommended the Grove be harvested immediately. Shortly thereafter Dick received a check for over \$5000 for the crop. Dick was overjoyed and momentarily considered becoming an avocado farmer as opposed to practicing dentistry. Nancy squelched the idea very quickly.

Dick and Nancy had their fourth child, Bainbridge Morse Larkin, Jr., born August 19, 1949.

Because Dick was busy setting up an office by converting an old house on Michigan Avenue across from the old Telephone Company and Richard D. Ring's Law office, he hired Sally Castillo deLeon to help Nancy with her new baby and setting up their new home. At the time Sally was just starting high school.

Dick and Nancy immediately became involved with the activities of Vista. Dick joined the Junior Chamber of Commerce and was a prime mover in the organization of the Vistacado days in the early 50's. One year Dick volunteered to be the Chairman of the event. There was a beauty contest at the Avo theater and Jules Strombow professional wrestler crowned the Queen. The first division Marine Corps band played several concerts. Vistacado days brought the whole community of Vista together.

Dick also organized Vista's only band review with the help of Jimmy Jamison, the longtime chairman of the All Western Band Review held in Long Beach, California, an annual event in November of each year. Jamison arranged to have the same judges used in Long Beach to come to Vista to judge the participating bands. It was a spectacular event for those who enjoyed watching excellent high school bands march down the streets of Vista.

At or about the same time Dick was recalled into the Navy at the time of the Korean conflict. Fortunately, Dick was stationed at Camp Pendleton, so

VISTA HALL OF FAME

the family did not have to move or interrupt their lives after becoming settled into the flow of Vista.

In addition to raising a family of four, Nancy was active in several community groups, including the Community Church, Triple M, and Panhellenic, an organization of college sorority women. Nancy also helped with Janet's Brownie troop and Job's Daughters. Both Dick and Nancy were involved with their sons Cub Scouts, Boy Scouts, DeMolay and high school sports.

Having been born and raised in New England, Dick had a yearning for lakes and streams. Dick located 10 acres in Vista with a year-round stream and built a pond under the direction of the Soil Conservation Service. Lou Whitt, a longtime resident of Vista, excavated the pond. The family enjoyed fishing, swimming and picnicking at the pond in the early 50's. When Dr. Larkin was released from Navy in 1954, the pond property was sold and the family moved to Massachusetts to attend to family members who were ailing.

The Larkins moved back to Vista in 1956. Dick set up a new dental office in the Rancho Buena Vista ("Adobe") owned by Dr. Walter and Anastasia E. Weil. Walter and Anastasia ('Doddles') and Dick and Nancy became good friends both socially and professionally. Dick and Walter planned the first medical offices which included Black's Pharmacy; across the street from the original Vista High School.

Dick and Nancy loved music and encouraged music especially in the schools. In or about 1957 Dick and Nancy formed the Vista Band Boosters organization. Dick used his military connections to bring members of the Marine Corps Band from Camp Pendleton to drill the Vista High School Band into an award winning unit.

Dr Larkin was asked to fill a vacancy on the Palomar College Board of Governors during its formative years. Dr. Larkin served from 1958 to 1961 on the Palomar College Board.

In 1960 Dick and Nancy purchased 10 acres on Mission Road approximately halfway between Bonsall and Fallbrook. The property had unique features in that two streams came together on the property. Dick and Nancy had always dreamed of having a family business in which all children could participate. Dick located an old barn in Temecula and disassembled it using the siding to build what was later called Valley Fort. Valley Fort consisted of a general store which housed antiques brought from New England and a restaurant which served chicken, hot dogs and hamburgers, etc... The building was surrounded by a stockade made of cedar poles. The cedar poles came from Julian. At the time Valley Fort was open only on weekends and included Dixieland music and Western gun fighting, such as the "Shoot Out At The O.K. Corral". The Fort was also

open for private party events. The second year the Fort was open, two Vista High School teachers opened a summer camp and build a swimming pool on the property. Valley Fort was featured in an issue of Sunset magazine as a destination point of interest in San Diego County.

Dr. Larkin had a busy dental practice in Vista from 1949 until 1963. He became known as the "Gentle Dentist", and was always helpful to those in need of dental treatment, even on the weekend, regardless of their financial status.

In 1963 Dick had an opportunity to teach at Tufts Dental School and do graduate work in the area of prosthetics. After discussing the opportunity with Nancy, they decided to move back to Massachusetts taking the family with them.

Adele Larimer
1915-2000

Elected to Vista Hall of Fame
Early Residents Division 2022

Adele Larimer was born March 24, 1915 in Chicago, Illinois to Jock and Marge Rigoni. She was raised in the downtown area of Chicago and graduated high school at the age of 16. When she graduated she was given a brand new 1931 Ford. In those days you needed a license to drive. They were available at the local drugstore. She was also offered a fishing license at the same time, but history is unclear whether she accepted the offer.

After high school, she went to business college, which was the name in those days for secretarial school. She worked and or volunteered all her life beginning with a variety of jobs in downtown Chicago. The most memorable to her was at the Tea Room of Carson Pirie Scott department store. She was a cashier there. In 1937 she met Richard Larimer who was a machinist working at Western Electric, the manufacturing arm of A.T. & T. They were married about three months after they met on December 31, 1937.

They continued to work and live in Chicago until 1940 when they moved to Vista where his mother was already living. They moved because he liked to travel and his arthritic condition was made worse by the climate in Chicago. They decided to stay in Vista.

He got a job as a machinist for Consolidated in San Diego. While in Vista, Adele worked as an office manager for Sam Brockman, who was a realtor and grove manager. One of her duties was to drive his wife to Los Angeles to shop at Bullock's Department Store, the main store at the time in Southern California. They would then have lunch at Clifton's Cafeteria and drive back. It took several hours on the two lane roads each way.

They lived in a duplex in the area now known as the Townsite. They shared a bathroom with the other half of the duplex. Adele had her first experience with a cow there. One morning, when she was prepar-

ing breakfast around 5 a.m. there was a knock on the door. When she opened it she was face-to-face with a cow that came from across Santa Fe Avenue. She said that was the first time she'd actually seen a cow close up.

Richard and Adele enjoyed living in Vista but returned to Chicago because of World War II for the duration of the war. Richard had suffered from rheumatic fever as a child and had a heart condition that prevented him from serving in the military. Because of that, Adele gave up her intention of joining the Navy. Richard returned to his job at Western Electric, and Adele worked there also. After the war they returned to Vista where Richard resumed his job at Consolidated and Adele worked for Hilton Cleaners at their office in the First National Bank building.

After an injury where he lost part of his finger, Richard quit being a machinist, a job that he did not enjoy and went to work for Hilton Cleaners as a driver who picked up and delivered laundry. He also drove the truck in parades in Oceanside where the main office of Hilton Cleaners was located. Later he did the same job for the laundry at Camp Pendleton from 1955 to 1960.

They lived at the corner of Foothill Drive and Beverly Drive renting a house from the owner of an avocado grove on a hill next to their home. The owner's home was on the top of the hill. Because of the hill, they named the two children they had while living there, Jack and Jill. Also, because there were no addresses, when they registered at different times to vote in 1946, they were put in different precincts.

Now that they had children, Adele stopped working for a while to take care of the children. They moved around living on Mason Road for a while and finally buying a home on Manor Drive. During this time, Adele volunteered for the Cub Scouts becoming a den mother for her son's den. When he was forced to leave scouts, to fulfill her commitment she stayed for an additional year. She also did other volunteer work in support of her children including the brownies for Jill.

In about 1957, Adele went back to work to pay for Jill's piano lessons which she took from Mrs. Tunnel on Monte Vista Drive. For a while, Adele worked for the Medlin Brothers, a pair of doctors on South Santa Fe where she did office work.

Later Adele worked for the Vista Unified School District first starting in the cafeteria at Lincoln Junior High School and remaining friends with people she met there for the rest of her life. Chief among them was a lady named Mary Rojas.

Richard and Adele loved to dance and joined the dance club known as the Saturnalians. This group

VISTA HALL OF FAME

made up mostly of teachers, held a dance once a month at the Palomar Rider's club house at East Bobier Drive and North Santa Fe Avenue.

In August 1960, they moved to a house they had built at 1648 Foothill Drive. Six weeks later Richard died of his heart condition.

During this time, Jill joined the Palomar Riders with her Palomino horse named Pal. Adele volunteered for the Palomar Riders including pulling horse trailers to their events.

After the death of her husband, she took a job as attendance clerk at Lincoln Junior High School. There she met Betty Clopine who was the secretary to the principal Paul Brostrum at the time. They became best friends. Mrs. Clopine had a second job teaching cotillion at the Woman's Club on the Community Church circle.

When Betty retired Adele took her job as the principal's secretary. She had this job until she retired in 1980. Her last principal was Dudley Hancher.

Beginning in 1960, Adele started volunteering for the Tri-City Hospital auxiliary known as the Pink Ladies. At first, because she was working, she volunteered as a receptionist. Then on Friday evenings, she volunteered in the emergency room where she was known for cleaning up bloody messes. Later she also volunteered in Tumor Registry. This included checking obituaries in local newspaper to see if the hospital's former cancer patients had died. She volunteered for the hospital for about 40 years. In her 80's, when she was no longer able to drive, she walked a mile to get a bus to get to the hospital to volunteer. She also served on the auxiliary's board of directors and helped put on their annual strawberry festivals. She also volunteered in the office of the Community Church of Vista and as a docent at the first Vista Historical Museum. She also drove her friends around to their appointments and on their errands when they were no longer able to drive. She increased her volunteering after she retired. Also, after she retired, Adele and Betty traveled to Ireland as part of the Belleek Society. They also went hang gliding in Mexico and other trips and to Padre Games. She died from lung cancer at her home at age 85 in May 2000.

Jim and Carlotta Malone Elected to Vista Hall of Fame Regular Division 2020

My dad, Jim, started teaching at Vista High School in 1971. He was the swimming and water polo coach and taught history, government, economics, and I believe French for a short while.

He moved over to Rancho Buena Vista when it first opened in 1987 and continued to teach senior government, economics and coach swimming and water polo. He also coached an age group swim team for the better part of 15 years outside of school. He retired from full time teaching in 1998...but continued to teach a ROTC class and mentor young stage crafters (sound, lighting, scenery).

He started volunteering at the Moonlight in its second season in 1982...doing whatever they needed as a handy-man. Eventually he was a regular employee of the Moonlight as head carpenter building scenery for the shows. To this day he still helps the shows out over at Rancho. He also was inducted into the San Diego coaches hall of fame and his picture is up in the hall of fame museum in Balboa Park!

My mom was a substitute teacher through the mid 70's and 80's. She coached the girls Vista High swim team and diving for a number of years at my dad's side. She became a full time fourth grade teacher at Monte Vista Elementary in 1987. She retired in 2004.

She volunteered for Moonlight its first year in 1981. My sister and I were cast in Oliver

and mom was such a great seamstress she offered to help with the sewing. Eventually she was the go to costumer for the Moonlight.

I joke with my friends out in the industry telling them that my folks only volunteered because we were in the shows...and now they work more than I do...but there's a whole lot of truth to that.

VISTA HALL OF FAME

**Charlotte "Cleo" Morgan
1892-1972
Elected to Vista Hall of Fame
Early Residents Division 2015**

From "The Vista Press" February 2, 1972

Vista today mourns the death of a woman who loved her community and in turn was loved by all its citizens.

Charlotte "Cleo" Morgan, whose life was concerned with beauty, died Sunday at Tri-City Hospital.

Vista city officials, saddened by her death, praised the quality of her life.

"Vista has lost a true friend and faithful citizen... one who never talked about what should be done, but one who got in and did it. It will be hard to part with someone like this who has given so much of herself to so many people" said Mayor Orbee Mihalek.

Mrs. Morgan, who lived with her husband, Jack, at 164 Walker Way, was interested in the beautification of Vista, the development of a park system, and in upgrading in any way the appearance of our city.

"I have enjoyed a long friendship with Cleo and Jack, one that from the very beginning was full of respect and admiration. Respect for her as a competent businesswoman, and admiration for her beautiful attitude towards life and her fellow man. Surely, heaven will glow with her presence," said Vice-Mayor Kenneth Annin.

Friends may pay their last respects to Mrs. Morgan today from 9 AM to 9 PM at the Vista Chapel Mortuary.

Graveside family services will be held Thursday, at 11 AM at Valhalla Memorial Park in North Hollywood.

"The passing of Cleo Morgan is without a doubt a great loss to our community. Her achievements are examples of a truly outstanding citizen – one who not only dedicated her time and energy to the beautification of our city, but who was firm in her belief that Vista is truly 'the most beautiful place to live'. Her expression of such conviction was evident by the work she

alone performed and projects of beautification which she initiated. Her loss will be felt throughout the community," said Councilman Troy Doan.

Mrs. Morgan is also survived by sons, Upton Smith of Long Beach; Malloy Souberg, of Glendale; a daughter, Mrs. La Vanda Tilt, of Escondido; and 13 grandchildren and 24 great-grandchildren.

"She has been a forerunner in community life. She had an appreciation for Vista that few people had. Vista will miss her greatly," said Councilman Noble Tanner.

Mrs. Morgan was president of the Vista Garden Club for two terms. She was a member of the Woman's Club of Vista; a member of the Second Horizon Club; the Grandmothers' Club; an active force in the Vista Beautiful Committee; a member of the chamber of commerce; a former Grange member; a former member of the Rebekahs; a member of the Palomar Cactus Association and a member of the California Cactus Grower Association.

"We have lost a very dedicated citizen who always strove for the betterment of Vista," said Councilman Stanley Matush.

Philip Ferguson, chairman of Vista Beautiful, said: "Without a doubt she's contributed as much or more than anyone else to the actual beautification of Vista. Both Vista Beautiful and Vista are better because of her efforts."

Vista now – though in morning – is not somber, but wears like a garment the beauty of her efforts.

**Miriam Alice Small Nichols
1922-2012
Elected to Vista Hall of Fame
Regular Division 2008**

Miriam Alice Small Nichols was married to Emil D. Nichols and had four sons: Paul, Patrick, Philip, and David. They retired to Vista in 1970. Miriam was an avid volunteer and environmentalist her whole life, offering her time and talents to promote environment and community events.

Miriam's primary outlet for volunteer efforts was the General Federation of Woman's Clubs. She joined the Woman's Club of Vista in 1972.

In 1980 The Woman's Club, Miriam and David's Boy Scout troop began the first glass curbside recycling service for Vista - also the first curbside recycling program in San Diego County.

"At first we collected newspapers in a big piano box under a tree at the clubhouse," Miriam shared. When the box was full, she loaded her Volkswagen bus with the papers and took them for recycling. Then the club received a grant from the California Department of Conservation for a truck to use in curbside pickup of newspapers and plastic soda bottles. Miriam created a "Hazardous Household Waste" pamphlet, printed and

distributed to over 25,000 residents.

During November 1991 Miriam presented her recycling program to delegates from 70 nations attending the Global Assembly of Women and the Environment: Partners in Life, sponsored by the United Nations Environmental Program. Her presentation was titled: Woman's Club of Vista's Recycling and Hazardous Waste Education Programs. The Global Assembly of Women and the Environment "Partners in Life" had as its goal to demonstrate women's capacities in environmental management as they related to global ecological issues, focusing on water, waste, energy and environmentally-friendly systems, products and technologies. The 218 success stories presented at the Assembly - including Miriam's - were selected from all regions of the world. In October 2008, the CD for \$10,000 from The Woman's Club's curbside recycling was cashed and donated to Alta Vista Botanical Gardens to help build the ponds and waterfall project, a beautiful central water feature which is a delightful focus for visitors. Miriam was The Woman's Club's Beautification Chairwoman. Miriam was an avid supporter of the Gardens, and in December 2009 The Woman's Club of Vista was hon-ored with AVBG's first obelisk award for continued support and donations. In 2012 she celebrated her 90th birthday at the Gardens.

Miriam loved the environment and was well-informed in important issues and events around the world. Miriam celebrated Earth Day for years. In 1986 and 1995 Miriam and The Woman's Club of Vista planted trees for Arbor Day. In the 1990's Miriam learned how to propagate oaks from acorns and then worked with students at Olive Elementary to start 700 seedlings. They used tar paper cylinders to allow the acorns to grow strong tap roots, and then planted them at local parks. These efforts were recognized by Keep America Beautiful and the United Nations Environmental Program. She organized numerous cleanups, historical restoration projects, educational programs for children, and much more. Over four decades, her efforts for local, state, national, and international organizations generated tens of thousands of dollars and hundreds of volunteers.

She served as The Woman's Club of Vista President for two terms 1976-77 and 1992-93. She served as Palomar District President for three years 1981-84 when her President's theme was "Bells Are Ringing: For Volunteers." She worked with the District and local clubs to contribute to and celebrate the installation of Mission Bells along the El Camino Real. In 1996 The Woman's Club of Vista installed an El Camino Real Bell at Rancho Guajome Adobe. In 1999 Miriam

made the trip into Baja California for the installation and dedication of the third El Camino Real bell at Mission San Miguel, south of Rosarito. She celebrated the centennial of the Mission Bells at a dedication in Los Angeles in August 2006. The bells were originally paid for and erected by the El Camino Real Association in the early 1900s.

"Miriam Alice Small was born April 4, 1922 in Pullman, Washington, attended local schools, and graduated from Washington State University in 1944. After volunteering for a local typing pool, she met her future husband, Emil D. Nichols, an Air Force lieutenant. They married in 1945 in Macon, Georgia, and went on to have four sons: Paul, Patrick, Philip, and David. As

the wife of an Air Force officer, she moved her family 29 times over the course of his career, including stays in Guam, Hong Kong, Puerto Rico, England, and numerous states in the United States until they retired to Vista in 1970. Carl Pinamonti 1928-2009

Elected to Vista Hall of Fame Regular Division 2014

The following is the speech given at the Hall of Fame induction by Angela Pinamonti.

To the many citizens and amazing community of Vista, especially to the Vista Historical Society, thank you

for inducting Carl into the 2014 Hall of Fame. Our family is truly blessed to remember our grandpa, brother, and father in this way.

For those of you who may not know, my name is Angela Pinamonti and I am Carl's eldest granddaughter. My father is Carl Pinamonti Jr., who is here today. It surely is hard to capture in so few words not just the dates and the facts, but the essential character of my grandpa. I am one of the countless people who draw inspiration and gratitude from him. This is my attempt to represent his legacy.

Carl was born in 1928 in Inglewood CA. At age 18, he began his family and had seven children Ernie, Maryann, Toni, Carl, Gina, Patrick and Enrico. He got his construction start in the plastering business and ultimately became a general contractor. During the Vietnam War in 1969, the family battled it's largest tragedy, the death of their eldest brother and son, Ernie.

Emerging from heartbreak, and with high hopes to retire, Carl made the trip down to Vista in the early summer of 1970. But grandpa, being grandpa couldn't retire yet, so he continued his construction business. He purchased 9 acres off of Monte Vista Dr, and traveled down every weekend with some of the kids to create his first family home. He completed it within 3 months and the kids were able to attend school in the fall. The whole family moved in Sept 1970 and officially made Vista home.

With no retirement in sight, grandpa began his relationship with the City of Vista. With only one traffic light standing at the time, his first project purchase was 6 acres next door to the old McMahon Furniture Store off of Santa Fe. There, he developed the Franciscan Inn. After building the Inn he moved into Room 48 and used it as his first office. Every morning at 5 am he would meet at Mayfair Market with friends and other contractors. Joe Garassi, was with him every morning. Joe worked with Carl for many years as his superintendent. The Mayfair market would be the place to hash out his next project, Carrow's Restaurant. After the completion of the restaurant, he moved his temporary office at the Inn to one off of Eucalyptus Dr. This was in fact his first true Vista office. In July 1974 the Mayor of Vista, asked the Chamber of Commerce to develop a meaningful program to celebrate our nations birthday in 1976. As a result, the Bicentennial Committee was created consisting of 28 committees. Carl was Chairman of the Development Committee that would oversee the Bicentennial Project. The Committee approved the original amphitheater and Grandpa proceeded to make it happen. If you know my grandpa, there was nothing big or small that would stand in his way. Carl proceeded to encourage the donation of material and labor and he followed it to a successful completion. He continued to donate after it was built. He then began to build houses around the city and many other commercial projects. He eventually made his way to other neighboring cities, and worked with his brother, Al Pinamonti on many projects.

VISTA HALL OF FAME

Throughout the course of his construction career, he became very well known with Vista city building officials. If any of you knew him, you knew he loved attending city council meetings, and interacting with city officials. I mean he was a businessman, so he definitely debated with a few.

If you ever needed Carl for anything during the day, you knew where his lunchtime office was. He sat at his favorite table at Feliccia's Restaurant. He would hash out business deals on the paper tablecloths and many offers were made there. I can remember when my cousins and I had half days at St. Francis middle school. We knew we were going to Feliccia's for lunch to see grandpa. It just felt like home.

In the early 80's, grandpa had his cancer surgery and they removed his Larynx. Carl was definitely known to voice his opinion and in just one day his speech was taken from him. It took him one year of voice therapy just to get out one word. My cousins and I grew up with him this way and never heard his normal voice. I always wondered what he sounded like. It was a constant struggle to understand him, but it didn't dampen his lifestyle, because he began to clap and pound on the table to get your attention. He sure did mean business.

Everyone knew Carl for his generosity with his time and money. He loved to help out small builders and therefore loaned money to these businesses to allow them to get their starts. These small acts of kindness played a role in impacting other business owners of Vista. He donated to the Vista Boys Club and was involved in the start of Vista Pop Warner.

If I have one vivid memory of my grandfather's character, it was that he was extremely hardworking, honest, and trustworthy. He ended up working into the 2000s even though he thought of retiring in the 70s. He was the guy known for paying all the trades on time and within days of them submitting bills. If you did the job correctly, you got promptly paid. He was also the grandfather that would donate to any activity that his grandchild was a part of. He was honest and loyal and for that, he was graced with loyal employees. Betty Stevenson eventually followed him down from Hawthorne and became his office secretary. Frank Dvorak met him in Vista and started as the office Manager in the Eucalyptus office and eventually became a City Inspector. One of the few still working for the family today is Beverly Mottino from Vista and that's just to name a few. Eventually, many of his Italian friends had joined him in Vista and also became established in Vista.

One dream he never saw to completion was the Vietnam Memorial Park, named "Ernie's Place" after his late son. Grandpa donated land off of Mercantile and Guajome to be built into this special park. The park has been relocated onto the Corner across from Main St and associated with the new Paseo Santa Fe project, which should be completed sometime in 2015. Fundraising for the park will begin later this year, and will be a great reminder of all of our service men who fought in Vietnam.

Thank you again for letting me share the life and love of my grandpa. It was a gift to create this speech and be able to get to know him even more. He is my inspiration and someone I think about when I meet challenges in my own career. I often think "What would grandpa do?" If he weren't such a generous, hardworking, and amazing man, I wouldn't be standing here making this speech today. On behalf of my Dad, Sister, five Uncles and Aunts, and 15 cousins, we thank you from the depths of our hearts. And thank you grandpa, for giving me a very common question to answer proudly, Are you one of the Pinamonti, Pinamonti's? Yes, that would be me. Thank you.

Tom J. Ramoss
1905-1982

Elected to Vista Hall of Fame Early Residents Division 2013

Tom Ramoss was a fifth generation Californian, born in San Juan Capistrano in 1905.

He was baptized in the Old Mission Church and later served there as an altar boy.

In 1922, at age 17, Tom went to work as a wrangler on the 100,000-acre-plus Santa Margarita ranch. His job included handling a remuda of 300 horses, readying them for the dozens of vaqueros employed there at the time who generally had 50,000 cattle and thousands of horses to work.

Tom toughed the wrangling job out for some three months before he was promoted to vaquero. In time, because of his having steeped himself in the Spanish tradition of handling horses, combined with a gentleness and singleness of purpose, he was to become one of the best and most respected reinsmen in the business. When the Federal Government acquired the Santa Margarita ranch in 1942 for the Marine Corps and turned it into Camp Pendleton, Tom stayed on, taking over the riding stables, the horse-shoeing, blacksmithing, etc.

It was there he met his future wife, Patricia Kay, a lady Marine from Boston, Massachusetts. Pat knew horses and was a horsewoman herself. In addition, she was a great admirer of the era in California history which Tom and his Spanish ancestors exemplified, so they had much in common.

In 1947, after their marriage, they moved to Vista.

Tom, who had shod his first horse at 14, established a horse ranch, specializing in champion-class Arabians, in which he was successful. He also put in a blacksmith and horseshoeing shop.

VISTA HALL OF FAME

He was a great horse trainer who used an inherent gentleness and patience with the animals. He often spent a year or more on horses he was training, first accustoming them to control with a simple hackamore to guide them, sometimes for months, before a bit was put in their mouths. The Spanish bit, Tom said, should only be entrusted to special hands and placed in the mouths of special horses. The "finished" horse was expected to cut cattle as well as execute necessary movements and specifications. Remarkably, Tom was able to teach his art to others, and the horse world is much richer for this shared talent.

Tom rode in the first "Western" motion picture to receive an Oscar: "In Old Arizona," starring Mary Astor and Warner Baxter. He rode in the Tournament of Roses Parade in Pasadena and in the 1932 Olympics.

An expert calf roper, he won the California State Championship in the early 1930's.

Tom Ramoss was a skilled horseman, riding in the Californio style. Upon moving to Vista Tom and his wife became life members of The Vista Palomar Riders Club. He was an integral part of The Vista Palomar Riders until his death, serving two times as president of the group and multiple terms as a board member, and multiple times as committee member and "Trail Boss" for the club's five-day, 100-mile ride from Vista to Palomar Mountain and back.

He was not only an outstanding horseman but a generous individual who donated time as a judge for the Vista Palomar Junior riders, local 4H and other area junior horse groups. Horse people in the Vista area often called on Tom for advice when they were having trouble with their horses or for actual help with the animals including getting horses in the trailer.

He was also a Life Member of Caballeros del Camino Real, and an Honorary member of the Desert Arabian Horse Association.

He had a "flour sack full of ribbons and awards."

Tom Ramoss was an artist on horseback—a California Reinsman.

He died August 10, 1982. His coffin was carried on a wagon drawn by two Clydesdale horses and driven by long-time friend Frank Lopez and accompanied by a large procession of friends.

He was interred with his boots, spurs, bits and some of the iron and steel tangibles of his profession. but he left a priceless bit of golden California history for posterity.

Bernard Rappaport 1922-2015 Elected to Vista Hall of Fame Regular Division 2014

Bernard "Bernie" Rappaport, a veteran of World War II, his wife, Lenore, and three children; Gideon, Hannah and Sharon moved to Vista from Los Angeles in 1969. Before coming to Vista he was an engineer in the infancy of the semiconductor industry (before the invention of the transistor). Once he settled in Vista, he began to involve himself with the community in a variety of ways.

From 1971 to 1977, Bernie was a member of the Vista Planning Commission and served as chairman of the commission for part of his term. In 1977, he was elected to the Vista City Council. He served as mayor from 1978 – 1980.

Bernie served on the boards of the Rancho Vista National Bank and the Vista Community Clinic. He also served on the San Diego County Grand Jury for a year.

He was the chairman of the fund raising committee and was instrumental in organizing the "Buy a Leaf" campaign that was very successful and continues to bring in money for the library. When the State Library Board was deciding what libraries to provide construction funds for, Bernie heard that the desperately needed Vista library was far down the list of priorities. He went to Sacramento and pleaded the case for Vista. Our library was made a priority due to his efforts. Thanks to his leadership, the funds were raised and designated by the state library system so Vista was able to open a much needed new library in 1994. He continued to be an active member of the board of the Friends.

VISTA HALL OF FAME

From 2005 – 2006, Bernie chaired the citywide campaign to pass Proposition L. This was the ¼% sales tax initiative that passed in November of 2006. This additional money provided the City of Vista with much needed revenue. The money raised funded two new fire stations, the sports park, and the new city hall civic center, as well as other city construction projects.

Bernie became president of the Friends of the Library in 2004 and remained president for 6 years. During his tenure as president, the Friends were able to donate \$237,500 for matching funds to the Vista branch of the San Diego County library system. This money was matched by the county library system. In addition, \$86,913 was provided directly to the Vista branch of the county library system for numerous books, programs, magazine subscriptions, tapes etc.

Abraham Michel "Abe" Shelhoup
1902-1981
Elected to Vista Hall of Fame
Early Residents Division 2015

Based on "A History of Vista"

Abraham and Hayat Shelhoup, who lived in a large Mediterranean style home on a hill overlooking Vista, were both natives of Douma, Lebanon, where Abraham was born January 24, 1902. "Abe", as Vistans knew him, came to this country in 1920 to join his father, Mike Shelhoup, who had come to Brawley, California, some seven years earlier.

With his father he came to Vista in 1928 and they purchased a grocery store and butcher shop located in the Pechstein Building in the 100 block of East Vista Way, just east of Santa Fe Avenue. Adding dry goods, "Abe" and his father continued the operation of this market. The two worked together until 1936 when "Abe" bought his father's interest in the business. "Abe" sold the market in 1938 and established a variety store. In 1941 he opened his well known Department Store at 236 East Vista Way (now 236 Main Street), where he sold only name brand merchandise and took great pride in the fact that he served second and third generation customers of some Vista families.

In 1948, Mr. Shelhoup built the Avo Theatre, where Vistans have enjoyed moving pictures throughout the years. The Avo has seen many civic gatherings also, such as the crownings of Miss Vista and some theatrical showings.

Mike Shelhoup, Abraham's father, died in February of 1955 at age 84. Mrs. Mike Shelhoup died in Lebanon in 1978, having attained the age of 103 years.

Hayat Shelhoup came to America in 1940, having lived for a time in Central America and Mexico.

Abraham and Hayat's son, Kamal, holds a doctorate in Political Science from Claremont Graduate School, and is also an accomplished aviator. He has been selected to appear in the 13th Edition of Who's Who in California.

VISTA HALL OF FAME

Abraham was a member of Vista Lodge No. 687, F&AM, Al Bahr Shrine in San Diego, Scottish Rite Bodies, member and past president of Palomar Shrine Club, Vista High 12 Club, Boys' Club of Vista, Director of San Diego County Red Cross, and Vista Rotary Club.

He was a staunch supporter of All Saints Episcopal Church.

Over the years he worked constantly behind the scenes to make Vista a better place. He donated the 286 trees that line East Vista Way; gave two fountains to the city, one at Vista High School, the other near East Vista Way and Indiana Avenue. He provided eight benches for the downtown area, and tables and benches in Soroptimist Park on North Santa Fe Avenue.

He said he enjoyed doing things for people, and many Christmas baskets were provided to needy families with no recognition being sought. While he shunned office holding, he was a guiding force in the city's development.

In addition to his flawless English, he spoke his native Arabic, Russian, French and Spanish.

Vista would not have been the same without Abraham Shelhoup. Abraham Shelhoup died of a heart attack on Sunday, August 16, 1981. He was 79 years of age.

**John Slivkoff
1891-1984
Elected to Vista
Hall of Fame
Early Residents Division 2013**

The Slivkoff family was loved and admired by the Vista community for almost seven decades. A Russian immigrant, John arrived in the United States in 1911 with his parents, four brothers and two sisters.

In 1917, he came to Vista with his new wife, Mary, and farmed on land leased from early settler, Jules Jacques Delpy. Along with his own farming endeavors, he helped the Delpys with the experimental growing of avocado trees, a unique and profitable crop that would later make Vista the Avocado Capital of the World.

Mary came to America with her family separately, but when they met they found they had live in Russian towns only a few miles apart. They were married on December 24, 1915, a union that thrived for almost 70 years.

The Slivkoffs had four children, John Jr., James, Sarah, and George, a bomber pilot who was killed during World War II when his plane was shot down over Germany.

Over the years, the Slivkoff family supported, and often participated in, countless worthwhile endeavors in their chosen community.

John worked hard all his life, and enjoyed putting in a full day until late into his 80's. At one point in the early years, he supplemented his farming income by buying a baler and charging \$2.00 a ton as he baled hay throughout North San Diego County.

He said that he was proud of having been able to support his family over all the years, "in good times and bad."

By 1926, he was able to buy his own six and one-half acre ranch at the top of San Clemente Avenue. He built his home and barn himself, and he and Mary lived there for the rest of their lives, greatly enjoying the large family gatherings of their children, grandchildren and great-grandchildren.

John raised mainly avocados, limes and vegetables. He also was a noted beekeeper for many years, with as many as 60 hives at one time.

Various publications featured photos of the red-flowered trumpet vine that grew completely over the barn and additional out-building on the property. The vine had been planted by their son, George, in 1932, and was a happy reminder of him after his death in World War II.

John Slivkoff was noted for his sense of humor and good disposition. He had a long, flowing beard for almost a half-century, and said that he won "every beard contest" over the years.

VISTA HALL OF FAME

He often came to The Vista Press to visit Publisher Everett Remsburg, until Everett's death in early 1972. The two had been fast friends from the arrival in Vista of Everett and his father, M.Z., in 1926, when they started Vista's first newspaper.

John helped unload and set up the typesetting and printing equipment for the fledgling newspaper, and although he struggled financially in those early years, he refused any pay. M.Z. gave him the only lifetime subscription to The Vista Press in its long history, and John made good use of the gift. He lived until 1984, when he passed away at age 93.

As he retired, John Slivkoff passed along his remaining beehives, with a special blessing, to his grandson, Rex Christensen. With his wife, Pat, Rex has property off Buena Creek Road in Vista and is one of the few remaining beekeepers in North County.

**Elected to Vista Hall of Fame

James W. Sutton, originally from Illinois, served on the Board of Directors of the Vista Irrigation District from March 5, 1935, until February 25, 1947. His 12 years on the Board was the longest tenure of any director in the first 40 years of the District's history. James Sutton was the President of the Board when the Vista Irrigation District purchased Lake Henshaw in 1946. He championed the purchase of the lake, which from that point on, secured a water supply for the growing community of Vista.

Upon Mr. Sutton's retirement in 1947, the Board of Directors issued the following statement: "[We] have seen directors come and directors go, but [we] have never seen a director who gave more unselfishly of his time and thought to District affairs than you have these many years. As the years go by, Vista will enjoy the great benefit and advantage of owning its water system, which you helped to make possible."

James Sutton served on the Palomar College Board of Governors from 1954 to 1966, when he resigned to take a position in San Diego to further his career as an insurance underwriter.

He was also president of the Farm Bureau Center in Vista

William Duncan Taylor
1912-2013
Elected to Vista Hall of Fame
Regular Division 2012

William "Bill" Taylor was born June 23, 1912, in Redondo Beach, California, and went to school there. He earned a Bachelor of Science degree in forestry from the University of Idaho.

While at Idaho U he spent three summers working for the U. S. Forest Service. In his last year, he took an 8-hour assembled civil service exam entitled Junior Range Examiner, which led to his career.

Bill spent his working life in various jobs for the Federal Government.

In 1939, he married Mildred Anderson. They are the parents of two children.

In mid-1941, he was assigned as work unit leader to a newly formed Soil Conservation District in San Diego County. His job eventually led, in November, 1948, to a 27-year career in Natural Resource management at Marine Barracks, Camp Pendleton.

His initial title was Ranch Manager. The position was fraught with adventure and innovation. The Marine Corps had no rules or precedents governing his duties, and he had to make them up himself.

In 1971, he became the first civilian Director of Natural Resources, following seven colonels who had held the job. There were numerous memorable highlights which made the career an adventure, such as: In the 1960's he was the Commanding General's representative as landlord during construction of the San Onofre Nuclear Generating Station and the 1-5 Freeway through the base, and he received accolades from both agencies for his assistance.

In 1973, he placed a dozen American bison in the Vallecitos, a high meadow area of the base. These were surplus from the San Diego Zoo that no other zoo wanted.

Bill retired from the base on January 15, 1976, but remained active. In 1977, he became a member of the board of directors of the Buena Colorado Water District, parent of the Vista Irrigation District.

He was elected to the Vista Irrigation District board in 1979, and served there until 1993. Also, he was on the board of the San Diego County Water Authority for six

years, ending in 1993. He was a long-time member of the Vista Rotary Club..

Dr. Frank Trotta
1927-1990

**Elected to Vista Hall of Fame
Early Residents Division 2023**

Frank Trotta was a great Vistan whose wife, Mary, and six children all played a role in the city’s history.

Trotta moved to Vista in 1961 with his young family when Tri-City Hospital opened and he was the one and only cardiologist at the brand new medical center. He chose Vista as his home and lived here until his untimely death from cancer in 1990 at age 62.

His wife Mary Trotta still lives in Vista where she has been an active member of the community, in part by raising six children, all of the Vista High School graduates.

Frank Trotta was beloved by his patients for his ability to listen and treat them with “old school” personal touch while always remaining current with the latest developments in medical science.

Rather than direct his children to follow in his footsteps into medicine, Trotta encouraged them to find their own way, and each of those Vista natives went on to professional careers after excelling in academics and athletics at Beaumont Elementary School, Lincoln Junior High School and Vista High School: Mike (born in 1960), Dave (1961), Tom (1963), Dan (1964), Pete (1960) and Nancy (1970).

Likewise, Frank Trotta encouraged his wife Mary to pursue her own interests, and Mary has been a pillar of the community, serving on the Palomar College board of trustees, PTA president at Vista High, grief counselor at St. Francis Catholic Church, and volunteering as a tutor to underserved elementary school students, among other activities.

Trotta was born on December 30, 1927, in Yonkers, New York. After attending Fordham University, he earned his M.D. at the State University of New York. He served as a captain in the U.S. Army from 1956 to 1958 and moved to California to

First Board of Directors, Vista Irrigation District
George S. Henry, Jules J. Delpy, F.J. "Jack"
Knight, Harry S. Merriam and Chester D. Gunn

Vista Irrigation District (VID) was formed in August 1923, when a vote of the people netted 104 votes "in favor" and just 4 votes "against". The overwhelming passage of the vote prompted a big celebration as the people of Vista welcomed the opportunity to live in a community with ample water for their farms and orchards. George S. Henry, Jules J. Delpy, F.J. "Jack" Knight, Harry S. Merriam and Chester D. Gunn were elected to serve as the first VID Board of Directors; these five men were respected and influential members of the community who not only brought water to Vista but were notable to the history of Vista in other ways as well.

George S. Henry was the first VID Board President, guiding the development of a system to bring water to Vista residents; he was also busy as a founding member of the Vista Chamber of Commerce. His contemporary, Jules J. Delpy, was a successful farmer, a founding member of the Vista Chamber of Commerce and contributed to the formation of the Vista School District. F.J. "Jack" Knight was the owner of Buena Vista Ranch Adobe; he and his wife Mary McKinney generously

donated a portion of their 51-acres to the Vista community to forever be enjoyed as Vista's beautiful Wildwood Park. Harry S. Merriam served as VID Board President in 1926; the year that water finally came to Vista from Lake Henshaw. In 1922, Chester D. Gunn, along with Harry S. Merriam, were appointed to a committee to look into securing water for North County. Their efforts on that committee resulted in the formation of Lake Henshaw, a vital part of Vista's water supply to this day.

The individuals serving as the first VID Board of Directors knew the important role that water would play in not only the growth of farms and orchards but also the community of Vista itself, and they worked tirelessly to secure a local water source and establish a system to deliver the water to Vista. The mission of George S. Henry, Jules J. Delpy, F.J. "Jack" Knight, Harry S. Merriam and Chester D. Gunn was to secure and deliver a reliable supply of water to the Vista community; this mission continues today and is being carried out today by the current Board of Directors

VISTA HALL OF FAME

Howard Williams
Elected to Vista Hall of Fame
Regular Division 2017
1923-2020

Howard S. Williams was born in Phoenix, Arizona in December 1923. He married his wife Ann in 1946, and together they had one son, Darin. Howard is an Army Air Corps veteran, a 1948 graduate of the University of Southern California, a long-time journalist, and a public relations expert. He had a brilliant career as a newspaper and TV editor, a local Emmy Award winner, and still to this day, a very proud Eagle Scout.

Howard worked at Channel 2, KNXT (now KCBS-TV) in Hollywood in the 1960's and 70's, where he wrote the station editorials for 12 years, and delivered them on the air in 1976. For his TV editorials, Howard won a local Emmy Award as well as six Golden Mike awards. During his journalism career, Howard attended many meetings at the White House and personally met eight different U.S. Presidents: Harry Truman, Dwight Eisenhower, John F. Kennedy, Lyndon Johnson, Richard Nixon, Gerald Ford, Jimmy Carter, and Ronald Reagan. Howard also met nearly every California Governor from 1960 to 1990.

As a strong advocate for openness and transparency in government, Howard and a handful of activists in the newspaper and broadcasting media developed, and got Governor Reagan to sign, the state's open meeting law, known as the Brown Act. He and another CBS executive founded the California Freedom of Information

Committee in 1969, now known as the First Amendment Coalition, which provides a hotline for reporters statewide on First Amendment issues. An offshoot of that group was created called the Bench Bar Media Committee --- and the San Diego County committee still meets, 40 years later.

Howard was instrumental in introducing cameras in court rooms. Cameras were not allowed in courtrooms in 1968 when the assassination of Senator Robert Kennedy took place, followed by the trial of Sirhan Sirhan. Working with the judge, Howard ran a project for all three TV networks to put a closed circuit system in the courthouse for the trial. That allowed over 100 reporters in two courtrooms to cover a trial being conducted in a courtroom that seated 50 people. The ban on cameras was lifted in California in 1984, paving the way for cameras in court rooms such as those in the Vista Courthouse. The closed circuit idea promoted by Howard was also used in federal court for terrorist trials in recent years to enable families of 9-11 victims to view portions of the proceedings in Washington and in distant states.

Following his retirement, Howard and Ann relocated from the Los Angeles area to Vista, where they purchased a home in Shadowridge. In 1991, Howard was appointed to the Vista Irrigation District Board of Directors to fill a vacancy in Division 4, and he continued to serve for nearly 22 years. Howard served as the District's representative on the San Diego County Water Authority Board for 17 years. Howard was also appointed by the San Diego County Board of Supervisors to represent the City of Vista on the Palomar Airport Advisory Committee, an appointment he held for over 20 years.

During his 27 years in Vista, Howard has been a tireless and dedicated public servant. Now 92 years old, Howard still lives in Vista, where his public-spirited efforts will be remembered and appreciated far into the future.

Elected to Vista Hall of Fame Regular Division 2006

O. K. "Bub" Williamson was one of the original math teachers and athletic coaches at Vista High School. He taught and coached at Vista High, Fallbrook High, and Palomar College for many years.

He was one of the leaders in the construction of Vista Community Center in 1940. He also was involved in the Boys' Club and several other civic and volunteer organizations.

Williamson was born in Pawnee Rock, Kansas, and raised in Bakersfield, California. He joined the Vista school system in 1932 and was a teacher at Vista High School when it opened for its first year in 1937-1938.

Dale E. Wood 1896-1973

Elected to Vista Hall of Fame Early Residents Division 2015

Dale Wood came to Vista in 1926, as the resident representative of Edwin G. Hart Development Company, which was a major developer of agricultural and commercial properties.

Later, Mr. Wood opened his own real estate business. His success and leadership in the community created a high standard for the real estate business.

He was a member of the Vista Irrigation District Board of Directors from 1954 to 1973. A resolution in his memory, presented by Hans Doe, follows:

"This board of directors, the Vista Irrigation District, this whole community, all are better by reason of Dale Wood's fine work on this board. Over the years Dale gave

generously of his valuable time. His counsel was sound. His good work helped substantially to make possible the excellent record of the Vista Irrigation District during the past nearly 20 years of his incumbency. Dale was proud of Vista Irrigation District and he had every right so to be, for much of Dale lives and will live in Vista Irrigation District."

Born in Iowa, Wood was a veteran of World War I. He was a charter member of Vista Rotary Club, which was formed in 1936. He was a member of Royal Arch Masons of California, and a member of the American Legion.

Dale Wood died February 21, 1973, survived by wife Gene, son Robert Wood, daughter Shirley Hawkins, and six grandchildren.

J C Wynne Elected to Vista Hall of Fame Regular Division 2017

JC Wynne grew up in Vista and currently lives in the house that his parents bought when it was built back in 1969.

His #1 mission in life besides his family has been giving back to his hometown of Vista, especially it's next generations. He has so many titles; friend, coach, facilitator, volunteer and Santa but I call him dad. I may be partial but I'm sure there are more than a few out there who would agree that J.C. Wynne is the definition of Vista Pride. Where to start... From a Vista Pop Warner and Vista American Little League coach to president to board member he helped build these youth sports organizations from the ground up which helped so many young kids in Vista develop discipline, team work and sportsmanship.

He kept dreaming bigger and started the Vista Youth Sports Field Foundation with a group of volunteers funded by donations and helped launch the

VISTA HALL OF FAME

development of the amazing multiplex sports park off Bobier Drive. When Vista High School football wanted to get game film he facilitated a lift for the end zone. When they desperately needed a new field he reached out to NFL alumni to donate towards the project and even put a V in the end zone.

When Vista City Council announced they didn't have enough money for a Santa Claus to ride the firetruck in the parade he volunteered and has been doing it for the better part of a decade and believe it or not, his only stipulation is that they give each kid a free picture with Santa afterwards.

When the City said they no longer had the funding for the Annual Easter Egg Hunt he gathered volunteers and donations to throw it for them and has been doing so for the last 6 years. He has even been gathering volunteers of late to help finish what the City didn't in getting French Fields up and ready again for spring ball.

His name graces the Honor V in the VHS quad, he was awarded the Have a Heart for Kids Award from the Boys and Girls Club of Vista, he was selected as the 2014 Person of the Year for the City of Vista and even had a day proclaimed J.C. Wynne day by the County of San Diego. He constantly astonishes me because I know that he would do anything to better this City for a simple high five or a smile which is why I think that he should absolutely be in the Vista Hall of Fame because he does it all for our community and not the fame.

Harold H. Yackey
1901-1979
Elected to Vista Hall of Fame
Early Residents Division 2015

Following deactivation as a Lieutenant Commander in a Naval Construction Battalion during World War II, Harold Yackey was appointed as Engineer/Manager of the Vista Irrigation District (VID) in May of 1946, shortly after the District purchased Lake Henshaw and Warner Ranch from the San Diego County Water Company.

Mr. Yackey was born in St. Louis, Missouri. He was a graduate of University of Illinois with additional education at the University of California and Luis Obispo College. His identical twin brother, George, also lived in Vista.

Mr. Yackey took over as Manager of VID in a period when the system was in very poor condition due to shortage of materials for pipeline repairs and replacements during World War II. One of his first tasks was to solve the very high water losses experienced during transit from Lake Henshaw. He solved the problem by lining the siphon sections with cement mortar in the late 1940's. Yackey was also instrumental in the covering of the Vista Flume in the late 1940's, primarily to eliminate the infestation of caddis flies and also as a sanitary protection for the water during transit.

Another important achievement was Yackey's implementation of the well program at Warner Basin, giving the District the ability to pump and put into use groundwater when it became obvious that the surface supply in Lake Henshaw would not be sufficient to meet the needs of the District.

Following his resignation in 1951, Yackey worked for a number of years in the water industry in the Los Angeles-Orange County area before retiring and moving back to Vista.

In 1967, Yackey was appointed to the Board of Directors for Division 1, and he served admirably until his death on June 22, 1979. Yackey's engineering background, his vast experience in pipeline and water matters, and his actions and counsel were most helpful to the progress of the Vista Irrigation District as it emerged from agricultural irrigation to an urban water system. As a member of the Board, Yackey also represented the District on the Santa Margarita-San Luis Rey Watershed Planning Agency.

**THE MOST IMPORTANT DAY IN VISTA HISTORY
FEBRUARY 27, 1926**

In the last part of the 19th century and the first half of the 20th century, the main business in Southern California, and certainly in North San Diego County, was agriculture. Successful agriculture requires abundant water especially for the preferred crops of the time which were groves or vineyards. Without sufficient water farmers were limited to more hardy crops such as grains. Water was always on everybody's mind. Negotiations for water went on endlessly. The importance can be seen in the area paper of the time, "The Oceanside Blade", where the main headline in the paper that reported the United States entry into World War I was about water negotiations.

There were also people that made their living providing water. One of these was William Henshaw, the owner of Warner Ranch. After World War I when Vista was trying to develop an agricultural base and running out of water, he was able to provide the water from the reservoir known as Lake Henshaw. According to the website of the Vista Irrigation District, completion of the Henshaw Dam in 1923 made a reliable source of water possible.

An election was held on August 28, 1923 to create the Vista irrigation District. Again according to the website one hundred percent of the eligible voters voted and the measure passed 104 to 4. After construction of the required infrastructure, a ceremony was held in downtown Vista on February 27, 1926 to turn on the water from Lake Henshaw. Reliable water quickly allowed Vista to become the "Avocado Capital of the World". Vista became so well-known for avocados that Vista floats with an avocado theme appeared in the Rose Parade in 1928 and 1932. Vista continued to grow with a mainly agricultural base until after World War II when population growth caused the conversion of agricultural land to housing.
