### 7. RESOLUTION HONORING RETIRING VISTA IRRIGATION DISTRICT EMPLOYEE GLENN MILLER

See staff report attached hereto.

General Manager Eldon Boone commented on a personal note that he and many District employees will miss the motivation inspired by Mr. Glenn Miller to be healthy and fit through the exercise classes he has led over the years for his co-workers during lunch and after hours. Mr. Boone said that on a professional note, Mr. Miller has done an outstanding job leading the crews in replacing water mains, helping the District provide the best, most reliable service for its customers. Mr. Boone thanked Mr. Miller for all of his efforts.

Operations and Field Services Manager Frank Wolinski provided some details regarding Glenn Miller's 34-year career with the District, starting in 1984 as a Temporary Utility Worker I and finishing as Construction Supervisor. Mr. Wolinski commented that Mr. Miller's career has been personified by hard work, dedication and perseverance. He thanked Mr. Miller for his service. Engineering Inspector Manny Macias spoke about his longtime friend and co-worker, Glenn Miller, stating that outside the District, Glenn has been a dedicated member of the community, coaching youth football for over 35 years. Other employees also spoke, thanking Mr. Miller for his guidance and support over the years. Mr. Miller thanked the Board for making the District a wonderful place to work, his family for their support, and his co-workers for their friendship. The Board thanked and commended Mr. Miller for his years of service to the District and wished him well in his retirement.

18-08-75	Directors ado	by Director MacKenzie, seconded by Director Vasquez, the Board of pted Resolution 18-22 honoring Glenn Miller for 34 years for service to th is customers, by the following roll call vote:				
	AYES: NOES:	Directors Vásquez, Dorey, Sanchez, and MacKenzie None				
	ABSTAIN:	None				
	ABSENT:	Director Miller				
	A copy of Resolution 18-22 is on file in the official Resolution Book of the District.					

President Dorey presented Mr. Miller a framed copy of the resolution, and congratulated him. A brief break was taken from 8:48 a.m. to 9:06 a.m. Upon return from break present in the audience were Don Smith, Greg Keppler, Frank Wolinski, Randy Whitmann, and Marlene Kelleher.

#### 8. DIVISION REPORTS

See staff report attached hereto.

Assistant General Manager Brett Hodgkiss reviewed the District's conservation efforts, resulting in a 15 percent decrease in water usage in June 2018 compared to June 2013. He provided clarification that this percentage is calculated on total water production and does not take into account the number of meters or the population. He noted that residential usage is also calculated in gallons per capita per day, which takes into account population figures provided by San Diego Association of Governments. Mr. Boone added that if the calculation were based on number of meters, the percentage might increase only slightly, since the District has experienced minimal growth in recent years.

Mr. Wolinski provided clarification regarding a water quality call in which it was determined that calcium carbonate precipitates were present in the customer's private lines, originating from the hot water heater. Staff recommended to the customer to flush the aerators and this should resolve the problem of white debris in the water.

### 9. MATTERS PERTAINING TO THE ACTIVITIES OF THE SAN DIEGO COUNTY WATER AUTHORITY

See staff report attached hereto.

Mr. Boone noted that a summary was provided to Board regarding the San Diego County Water Authority's (Water Authority) Board of Directors meeting the previous week. Mr. Boone reported on a current disagreement between the Water Authority and the Metropolitan Water District regarding the cost of water from the Quantification Settlement Agreement of 2003.

Frank Wolinski, Randy Whitmann, Greg Keppler, and Marlene Kelleher left the meeting at this time.

#### **10. MEETINGS AND EVENTS**

See staff report attached hereto.

Director MacKenzie reported on her attendance at a meeting of the California Local Agencies Formation Commission (CALAFCO) Board of Directors, which included a review of year-end financials and quarterly reports. She noted that the CALAFCO Annual Conference will be held in Yosemite in October. Director MacKenzie updated the Board on Assembly Bill (AB) 2258, regarding grant funding to assist Local Agency Formation Commissions with initiating reorganizations, consolidations and dissolutions of special districts. She stated that CALAFCO accepted an amendment proposed by the California Special Districts Association regarding thresholds for protest votes.

President Dorey reported on his attendance at a meeting of the Southern California Water Committee (SCWC), which took place in Cabazon. He noted that the recent focus of the SCWC has been the California Water Fix; however, more recently the focus has turned to issues associated with the Salton Sea. He noted that the SCWC is in support of the proposed water bond because a portion of the funding would be for the revitalization of the Salton Sea.

Directors MacKenzie, Vásquez, and Sanchez requested authorization to attend the Colorado River Water Users Association Conference in Las Vegas December 12-14, 2018. President Dorey and Directors Vásquez, MacKenzie, and Sanchez requested authorization to attend the Association of California Water Agencies (ACWA) Fall Conference in San Diego November 27-30, 2018.

18-08-76 Upon motion by Director Sanchez, seconded by Director MacKenzie, and unanimously carried (4 ayes: Vásquez, Dorey, Sanchez, and MacKenzie; 1 absent: Miller), the Board of Directors authorized the following attendances: Dorey, Vásquez, MacKenzie, and Sanchez to attend the ACWA Fall Conference in San Diego, November 27-30, 2018; and MacKenzie, Vásquez, and Sanchez to attend the Colorado River Water Users Association Conference in Las Vegas, December 12-14, 2018.

### 11. ITEMS FOR FUTURE AGENDAS AND/OR PRESS RELEASES

See staff report attached hereto.

Mr. Hodgkiss stated that in addition to the items listed, there will also be a future agenda item regarding the disposal of District-owned property in the City of Poway that was attained by the District through its acquisition of the San Diego Land and Water Company many years ago.

Mr. Hodgkiss stated that in October, staff is planning to present for the Board's consideration a request for proposals for the District's water supply planning study. Also in October, staff will present the groundwater assessment report for the Warner Basin. Director of Water Resources Don Smith provided clarification regarding the purpose of the groundwater assessment of the Warner Basin, noting that it included three primary tasks: 1) reassessing the groundwater basin; 2) considering the impacts on, or by, the Warner Springs Ranch Resort; and 3) analyzing Sustained Groundwater Management Act issues and whether or not it would make sense for the District to become a Groundwater Sustainability Agency and prepare a Groundwater Sustainability Plan. Mr. Smith stated that staff is currently assessing the preliminary findings and will present the item at a future Board meeting or special Board workshop.

#### **12. COMMENTS BY DIRECTORS**

Director Vásquez reported on recent local water-related news articles including one about elevated levels of lead detected from the internal plumbing at Grapevine Elementary School. He also mentioned an article about water rate increases at Sweetwater Authority and the City of San Diego. He spoke briefly about an article concerning a desalination plant which started operations on July 4, 2018 in Ensenada, Baja California; the plant supplies desalinated seawater to municipal water users in that area. He noted that construction of a second desalination plant of similar size and design to the Ensenada plant is scheduled to get underway in San Quintin.

#### **13. COMMENTS BY GENERAL MANAGER**

Mr. Boone stated that the painting of the District headquarters exterior was scheduled to begin the following week. He reminded the Board that the buildings are planned to be painted in two tones with a darker tone to be painted above the architectural break along the top of the building to mitigate staining that typically occurs in that area.

Mr. Boone updated the Board regarding the San Pasqual Undergrounding Project (SPUP), stating that the Utilities Director for the City of Escondido (Escondido) Chris McKinney said that Escondido staff has researched grants for the SPUP and found none that would be applicable at this time. Mr. McKinney said that they will continue to look for opportunities to obtain grant funding for the project. Mr. Boone stated the contract for the design of the SPUP, which was previously presented to the Vista Irrigation District Board, was approved by the Escondido City Council; project design is currently underway with the consulting team of Michael Backer International and Brown and Caldwell.

Mr. Boone updated the Board regarding the Implementing Agreement (Agreement) of the San Luis Rey Water Rights Settlement (Settlement), stating that there has been an issue related to the Water Authority wheeling water in 2017 to the Settlement Parties, and it is currently in arbitration. He commented that this issue between the Water Authority and the San Luis Rey Indian Water Authority; currently the arbitrator is deciding whether the dispute is a Federal issue, thus not eligible for arbitration.

Regarding 2018 water deliveries, an issue has arisen related to the current dry year and the resulting water shortage at Lake Henshaw. The Implementing Agreement stipulates and assigns priorities regarding water distributions during a dry year to the Rincon Tribe (which is at issue), and for the protection and viability of Lake Wohlford/Escondido Canal and Lake Henshaw. The Agreement calls for a Committee to assemble and sort out the details of dry-year water distributions. Mr. Boone said that he, Escondido City Manager Jeff Epp and Chair of the San Luis Rey Water Authority Bo Mazzetti are all on this committee and have been meeting to try to come to an agreement on how to share the water during this dry period. He said he will report back to the Board on this matter in the future.

Mr. Boone commended and thanked Don Smith for his valuable input during these meetings. Mr. Boone said that Mr. Smith knows the Implementing Agreement better than anyone. Mr. Boone noted that Assistant General Manager Brett Hodgkiss and Water Resources Specialist Mark Saltz have also been involved in the meetings.

Director Sanchez commended the Human Resources Manager Phil Zamora and Safety and Risk Manager Sherry Thorpe for the Wellness Grant received from the Association of California Water Agencies Joint Powers Insurance Authority. It was noted that the grant money will be used to promote the health and wellness of the employees of the District.

### 14. ADJOURNMENT

There being no further business to come before the Board, at 10:25 a.m. President Dorey adjourned the meeting to August 15, 2018 at 8:30 a.m.

FISCAL IMPACT: None.

<u>SUMMARY</u>: On July 20, 2018, the District signed the improvement plans for this waterline project. The approval of this water system will allow the General Manager to sign the construction contract when the owner returns it.

<u>DETAILED REPORT</u>: Under District inspection, the owner's contractor will install approximately 310 feet of 8-inch waterline, one 4-inch domestic water service, one 2-inch irrigation water service, two 8-inch fire services and make connections as approved on the plans. The owner will also submit applications and pay the necessary fees to the District for water meters.

The approval of this waterline project will allow the owner to proceed with the development of their project.

# <u>SUBJECT</u>: RESOLUTION HONORING RETIRING VISTA IRRIGATION DISTRICT EMPLOYEE GLENN MILLER

<u>**RECOMMENDATION</u>**: Adopt Resolution No. 18-XX honoring Glenn Miller for 34 years of service to the District and its customers.</u>

PRIOR BOARD ACTION: None.

FISCAL IMPACT: None.

<u>SUMMARY</u>: Glenn will retire with 34 years of exemplary service to the District and its customers on August 3, 2018. The District would like to honor Glenn by adopting the attached resolution.

<u>DETAILED REPORT</u>: Glenn started his career with the District on April 16, 1984 as a Temporary Utility Worker I. With previous experience in pipe materials supply with Marden Susco, he was quickly promoted to Storekeeper in July 1984. Six years later, Glenn returned to Construction Maintenance as a Utility Worker II working on Ray Daniels' crew. After completing the District's Utility Worker training program, Glenn was promoted to Utility Worker III in June 1991. In Construction Maintenance, Glenn continued to enhance his equipment operating skills by performing various water distribution system repairs and working on the valve maintenance program. In 2001, Glenn moved over to new construction as he was promoted to the position of Heavy Equipment Operator working under Mark Lee. Glenn's strong work ethic and competitive spirit proved to be a good fit for working on the District's mainline replacement program. In 2008, Glenn was promoted to Senior Construction Worker and advanced to Construction Supervisor in July 2011.

In his capacity as a supervisor, Glenn led the charge for the replacement of over 10 miles of mainline. Over the course of this effort, he has increased the efficiencies of mainline production by developing and refining a highly capable and motivated crew that value customer service and safety. Glenn's knowledge and skill in pre-construction planning, mainline installation techniques and field engineering have led to the development of improved District standards and a higher standard of performance for the District's construction teams.

Glenn's career has been personified by hard work, dedication and perseverance. As a leader, he values these same traits in others and has always strived to help others achieve their goals. Outside of the District, Glenn is a dedicated member of the community, coaching youth football for over 35 years; he was a member of the coaching staff that led the Vista Vipers to the National Championships.

In his retirement, Glenn and his wife Sandy plan to travel and spend time with their grandchildren.

ATTACHMENT: Resolution No. 18-XX.

#### **RESOLUTION NO. 18-XX**

### RESOLUTION OF THE BOARD OF DIRECTORS OF VISTA IRRIGATION DISTRICT HONORING GLENN MILLER FOR 34 YEARS OF SERVICE TO THE DISTRICT

WHEREAS, Glenn Miller, starting as a temporary Utility Worker I and progressively advancing to the position of Construction Supervisor, has provided the District and its customers with 34 years of exemplary service; and

WHEREAS, serving in his many capacities, Glenn was charged with the installation, repair and maintenance of the District's extensive infrastructure, facilities and equipment; and

WHEREAS, Glenn's hard work, dedication and perseverance has enabled the District to provide superior customer service and system reliability; and

WHEREAS, Glenn's leadership ability, skill in construction planning and extensive knowledge of mainline replacement techniques have been a key factor in the growth and success of the District's Mainline Replacement Program; and

WHEREAS, Glenn's enthusiastic support and mentoring of co-workers has ensured that the District is staffed with a knowledgeable and highly capable workforce; and

WHEREAS, Glenn has continually demonstrated a remarkable service ethic and devotion to the District, the water industry, the community, and his family.

NOW, THEREFORE, BE IT RESOLVED that the Board of Directors of the Vista Irrigation District does hereby wish Glenn Miller a long, healthy and prosperous retirement and expresses its appreciation for his dedication to the District and to its customers for the past thirtyfour years.

PASSED AND ADOPTED by the following roll call vote of the Board of Directors of Vista Irrigation District this 1<sup>st</sup> day of August 2018.
